DUNDAS ST. HILL TO BE REPAIRED

Roadway Is Now and Has Been For a Long Time in a Bad Condition.

MORE LIGHT AT CROSSING

C. P. R. Asks For a Lamp on Richmond Street-Meeting of Board of Works.

At a meeting of the board of works last night, Engineer Wright was instructed to look over Dundas street, from Ridout street down the hill, and report on as possible what he would recom busy to go into the matter thoroughly yet

Ald. Saunders pointed out that whatever as the street is used by a large number of people on their way to Mount Pleasant netery, and in addition has a good deal

of other traffic. As no representatives from the county been done in regard to the contract of Martin for repairing Oxford street, Ald: Saunders moved that the work be done by day labor, as it will not cost at the outside more than \$500. It was decided to do this.

A Light on Tracks.
Superintendent McNeillie, of the C. P.
R., wrote asking that a light be placed near the C. P. R. tracks on Richmond street, as at the present time it is impossible for the watchman in the tower to see vehicles and people passing until they are quite close to the gates.

This frequently results in confusion, and in order to avoid any possibility of accidents, he asked that the light be there as quickly as possible. Engineer Wright suggested that the matter be laid over until the hydro-electric lights are ready, and that one be placed at the crossing them. He said that under the present contract with the London Electric Company a new light could not be placed there very well

Tecumseh Avenue. A ratepayer asked that the board gravel and grade Tecumseh avenue, between street since it was surveyed. The matter of repairing the breakwater at Front street was also brought up. Engineer Wright said he had all the work on hand now that he could do this season, and It was decided to let the work stand over until later, as it is not pressing, and the engineer thought that in the winter. when things were more slack, he could fix up the breakwater.

It was decided to allow Parks Superintendent Pring ten days' holidays to make an inspection of nurseries in other places.

Buy a Crusher. Ald. Tancock thought a stone crusher should be purchased and kept at Springstone that could be broken. No action was taken in the matter, but it may be placed in the estimates later. There were present Chairman Tancock

Mayor Beattie, Aldermen Saunders, Mor- given the people by the bishops. gan, Pocock, Engineer Wright and Parks

CANADA HOLDS DESTINY

Continued from Page One.

of Port Burwell, and Rev. Mr. Doan, of Luton. They selected Bishop Williams of London as chairman, and the distinguished London prelate made an admirable presiding officer.

The crowd was very large, and represented the whole countryside. Many drove from a distance to be present, emembering the kindly greeting of his lordship three years before. The weather was threatening, and the driving uncomfortable owing to the strong winds, and the attendance was not so large as it would otherwise have

However, several hundred came to pay their respects to Bishop Ingram, including many from London, St. homas, Aylmer, and the surrounding neighborhood.

A Great Mixer. Shortly after 2 o'clock, Bishop Ingram arrived with his brother, Mr. Frank Ingram. There was no need of mend in the way of repairs. When asked formal introduction. His lordship last night he said that he had been too promptly shifted for himself. and it was not long until he had greeted albut would suggest that the tracks be most every person on the grounds. raised and that a roadway of broken Many he remembered from his previ-

forgot, and with a pleasant smile and a kindly greeting he passed on through the crowd. It was a picnic party, too, and into this his lordship entered with enthusiasm. He was not above eating council were present, and nothing has ice cream cones with the children, nor entering into any amusement that

the time being. After an hour's friendly visit, Bishop Williams took the chair, and called the gathering to order.

The Visitors.

would make the youngsters happy for

Among the visitors who took seats on the platform were Rev. Mr. Miles, Aylmer; Rev. A. E. Doan, Luton; Rev. T. Merton Shore, Warwick, formerly rector of Port Burwell: Rev. H. P. Westgate, St. Thomas; Rev. Phillips, Dunboyne; Rev. Mr. Charlton, Port Judge Ermatinger, Thomas; A. H. Backus, Aylmer, and many others

In beginning the programme, Bishop Williams expressed his pleasure at being present on such an occasion. He was delighted at the beautiful farming country through which he had motored from London.

"We live in a glorious country," he stated. "My appreciation of it was never greater than it was today, when Edward street and the Wharncliffe road, I passed through the fine stretch of as no gravel had ever been put on the farm lands between London and Grovesend. The people of this country have done an enormous amount of labor during this past 50 or 75 years, in converting a veritable wilderness

A Distinguished Bishop.

"We have come to pay our respects to the most distinguished bishop in the Anglican Church, and doubtless, the greatest living personal force in the church today, and it gives me great pleasure in presiding on such an occasion as this.'

His lordship briefly explained the place which the bishops had occupied in the struggle for civil and religious liberty, and pointed out that the Magna Charta, religious liberty at the time of the reformation, and the Engersion of the Bible itself. were

He was delighted at the unity that prevailed between the churches of the neighborhood. Practical demonstrations had been given of the value of united effort along practical Christian lines. The churches had worked together for the preservation of the Lord's Day, moral reform, and the suppression of gambling. He doubted that such a gathering as the present-Methodists and Anglicans, welcoming Mr. Edward Wormald, who keeps a an Anglican bishop-could have taken serious accident on Wednesday night. was a great pleasure to hold such a
