Judge Landis Just Moseying Around.

"SHOPPING." HE SAYS

NEW YORK, Dec. 14.-Club owners of the American League were tied up in their opening session here today, while the lobby fans were gossiping on what possible action may be taken egarding the proposed boycott of the Class AA and Class A leagues.

James P. Dunn, owner of the Cleve-land Club declared a boycott would be

wrong Principle.

"I have never believed in boycotts in business," he said. "I do not think it would apply to baseball in the American League."

Dunn also said he did not believe the American League would take any action to have the fine and suspension of Babe Ruth repealed or moderated by Judge Landis.

Landis himself was moseying around the lobby this afternoon. He said he "was doing some Christmas shopping."

It was whispered about that Miller Huggins has signed, or will sign this afternoon, a contract to again manage the New York Yanks.

The St. Louis Browns announced they and secured Shortsop Chick Shorten from Detroit.

Seeking removal of the "stone wall," officials of the National and American Leagues in their respective meetings today proposed an amendment to the National Baseball agreement that wond reinstitute the draft.

Resolutions to this effect were adopted by unanimous vote in both leagues, and submitted to baseball's advisory council for consideration tomorrow during the joint meeting of the majors. The resolution in the National League was offered by Garry Herrman of the Cincinnati Club, as a substitute for the suggestion by Charles H. Ebbets of the Brooklyn Club, that the major leagues refuse to purchase players from any league not subscribing to the draft.

Mr. Ebbets' suggestion, it was said,

# LOOMS AS LEADER

Be Leading Rider in U. S.

NEW YORK, Dec. 14.—(By Canadian Press.)—Canada may furnish the United States turf with its leading rider for the 1921 season. Recent developments point strongly to little Chick Lang, son of a Hamilton, Ont., fish dealer, for that coveted honor. Also in the running is Marinelli, whose father is an Italian cobbier in Newark, N.J.

by riding three winners on two successive days. He has won nine races within five days and heads the list here. Marinelli, starting riding the same day with mounts not carefully chosen, has been lucky to get home in front just once. Marinelli's record for the season is 119 winners. Lang's is 116.

Lang is more eagerly sought by horsemen than Marinelli, because he brings a five-pound allowance in selling and claiming races and a three-pound allowance in handicaps. Lang has had his employer, James Arthur, the same who developed Dodriguez, Ritchcreek and L. Morris, busy selecting the most desirable mounts from among the many bids.

Hussars put up a game fight to win the irgame, but in the sixth inning the R. C. R.'s started hitting and finally ended up with four runs. The W. O. R. had just three runs to spare in their game, with the Battery. The Battery used two pitchers, but both were wild, and this heiped along their defeat. Mc-Vicar at second for the losers played a good game both at bat and in the field.
