Special to The Advertiser.

Bay City, Mich., Aug. 30.—Bay City moved within a half game of the league lead Thursday by defeating Flint 9 to 7 in one of the most bitterly-contested games of the season, while Saginaw was losing to Kalamazoo. Lefty Good, recently sold to the Detroit Tigers, started for the Wolves, being opposed by Lefty Flegert, but both were knocked out. Rudolph, also the property of Detroit, relieving Good and getting credit for the victory over Ted Jackson. Bay City was out of the game when they passed basemen en masse to them to get enough runners on the paths to win.

HAMS TAKE TWO.
Hamilton, Aug. 30.—The Hams were on their good behavior today and surprised the fans by taking both games of a double-header from Grand Rapids, the first by a score of 4 to 1 and the abbreviated affair by a count of 3 to 2. Hagarty started on the mound for Hamilton in the first game but developed a sore arm in the third inning and had to retire in favor of Zolla. The latter kept the hits well scattered and the visitors did not score until the ninth. The Hams hit Horan for extra bases at opportune times, and took advantage of errors made behind him. Ivan Miller, a local boy pitched for Hamilton 4, off Good 3, off Ludolph 3. Bases on balls—3, off Ludolph 4. Hit by pitcher—Ludolph 4 in 2-3 innings. Winning pitcher—Ludolph. Losing pitcher—Jackson. BIG BETTORS SHY OFF DEMPSEY-FIRPO BOUT

Are Giving Selves Lots of Time To Look Gladiators and Proposition Over.

By FAIR PLAY. Copyright.

New York, Aug. 30.—While considerable betting talk concerning the Dempsey-Firpo bout has been heard in the past week, the writer is in a position to say that the big layers have not yet decided what they will do. Men, upon whose opinion prevailing odds are based, have been at Saratoga and at Atlantic City and in the case of both fighters the report has come "Lay off awhile." It is a matter of fact that there is more certainty about Jack Dempsey than about Firpo, and yet it is unquestionable that the light hitting champion has affected the opinion of the big gamblers. It is not surprising that friends—a fox game with Gibbons, content to win a decision without a knockout, are waiting for the writer, who saw that battle, to leave Dempsey was trying to knock him out, but was unable to send the good-night to the more powerful of Gibbons' cleverness and his own rustiness, due to long absence from the ring. Koona's home run was the million to that coming down on the train from Shelby, that Dempsey had a fight with the champion gave no indication whatever that he was worrying over his poor

At Saratoga to date Jack has been handicapped by a very severe cold, and this has resulted in disappointing exhibitions, ending with a complete collapse. As a consequence a crowd of nothing definite to go upon and hence nothing to bet on. While before putting up the big money. As for Firpo, inside reports show that he has proved hardly less disappointing than Dempsey. His workouts have been mixed advice from Buenos Aires, is not highly regarded by American conditioned observers. He certainly looks like a pick for the fight, but he is wafled at his head by his sparring partner. He has been pulled down by the blow, ever since he was at Atlantic City, a fact, however, which is not mentioned in the press. It is a great necessity in a ring battle that he should be able to take a blow and unhook something flashy and hard if he is to figure respectable in the offered odds.

LEANDER EIGHTS Win By Length

Canadian Press Despatch.

Toronto, Aug. 30.—The Leanders crew won the invitation eight at the regatta held in conjunction with the Canadian National Exhibition tonight, defeating the Undines of Philadelphia, by slightly over a length. Leanders' time for the mile and one-eighth was 5:56 2-5. Last night Undines, when racing Argonauts, went the distance in 6:55 1-5 (correct). Undines tonight provided a wonderful race. In the first half-mile they were lapped on Leanders, when the Englishmen spurred and drew away to over a length lead, which they held at the finish. The weather conditions were almost ideal, with scarcely a ripple on the lake. Another great crowd, well over the 50,000 mark, saw the race from the exhibition grounds.

ALERT INTERMEDIATES MUST PLAY GUELPH
Londoners To Meet Rivals For O. A. B. A. Title On Saturday.
Alert Intermediates, who eliminated Windsor Horse Shoes from the O. A. S. A. title hunt, must play in Guelph as originally billed on Saturday.
Efforts to have the game postponed until Monday were unavailing, and the Ontario Bowlers' Association said this morning in conversation with local officials that the game must be played. Difficulty over getting the park Monday was the only reason for the postponement.
Guelph is the only outfitters of last season, who romped away with the junior O. A. B. A. title. They are a strong team and are practically invincible, and besides have been splendidly coached this year.

His Food, Another's Ruin
—By LUIS ANGEL FIRPO
Eats and fights his own way—Follows own advice.
Special to The Advertiser.
Atlantic City, N. J., Aug. 30.—I am Luis Angel Firpo. I am the one person in the world who knows what is good for me. I would go crazy. Each person who comes to see me tells me what I must do to make myself better, and when they tell me a different thing, I should do everything that the prize fighters and trainers and doctors tell me to do, for I would be so weak and sick that only a little child could beat me.
I do not think the trainers and doctors are all wrong. Oh, no, they are not all wrong, they are only wrong for Luis Angel Firpo. I eat much meat. All my life I have eaten much red meat. A few days ago Philadelphia Jack O'Brien comes to see me here, and when he tells me that he is a prize fighter, I tell him what eat, he says that I must eat more fruit and vegetables. He says that if I do not do so I will be weak. I made an excuse to know what I found out, just the same as the race-driver would do. He said that he had examined the engine of his car.
You have the most perfect heart I have ever examined, Luis, he said to me.
You can bet I felt good when I heard him say that.
You have the heart of a ten-year-old boy, he said. You can see on the paper here where the pen writes when your heart beats and marks down the number of times it has regular beats. The marks are, for line it is all the same. Your heart is as perfect in its working as the movement of the finest watch. Of all the hundreds of athletes of all kinds I have examined, you is the most perfect heart I have found.
