Indian Tonic in Lambton County.

Mrs. J. J. Porter, of Corunna, writes:—
I received the medicine all right, and am much obliged for it. I had Erysipelas every summer for five years, sometimes so bad my face, arms and body would swell to an enormous size and my eyes would be shut for days at a time. I tried two doctors, but they did me no good, and I even went for change of climate, but all to no avail, until I got your TONIC. After taking one bottle the swelling ceased, and I improved every day, and am now entirely cured.
