LONDON, March 31—The Globe intimates at John Bright will resign his place in the ddress to the Spaniards in Cuba by Spaniards it home, mention of which has been made by at home, mention of which has been made by telegraph, was published. It opposes vehemently the transfer of Cuba to any toreign power and concludes with the declaration that the Spaniards who are in Cuba may be conquered, but ceded or sold, never. Cuba shall remain Spanish or Spain will abandon her only when

termination to refrain from all interference in the affairs of the Pope and Ecumenical Coun-

ell.

Hagus, March 31—An animated debate occurred in the Chambers recently on the question of privileges to one of the two rival cables to America. The Ministry was instructed to

ake equal terms.

LONDON, March 31—The Post says the de-LONDON, March 31—The Post says the de-parture of troops and a steel battery, just or-ganized for operations in the Red River coun-try, is delayed for a few days, the delegation from that settlement being now on their way here to lay explanations of the situation of af-fairs before the government authorities, and no irs before the government authorities, and no tion will be taken until this delegation can

heard.
The flew of specie into the Bank of Eng.
nd this week is unusually heavy.
New York, March 31—Paris letters of March New Tork, March 31—Paris letters of March 18th state that a rising in Roumania is about to occur with the design of expelling Prince
Charles of Hohensolverein. It is said Prussia will resist the insurrection and that the Berlin Cabinet, in view of complications likely to arise, is vigorously pushing forward military and naval preparatious. Letters from Paris state a great movement of some kind is expected by the army. The utmest activity is manifested in all the fertresses and seaports on the Baltic.

This morning with passengers, crew and treasure.

An earthquake occurred at 13 minutes to 12 to-day. It was the sharpest though one of the shortest ever experienced in San Francisco. Beverything movable in the buildings jumped as if on shipboard and even like the motion of two vessels colliding. The shock was preceded by a noise like the explosion of a powder magnetic manifested in all the fertresses and seaports than four seconds, and no damage beyond on the Baltic.

days for the Armenians to submit to its authority. The time has expired and the Armenians baving shewn no signs of yielding a major excommunication will be pronounced against them. It is asserted that the Ecunomenical Council will immediately commence the discussion of the scheme of infallibility, on the discussion of the Irish Force Bill passed both Houses of Parliament. The House of Lords met on Satsrday to receive an expected message from the Queen, approving of the bill, but it was not handed in.

Betting on the University boat race is six to four in favor of the Oxfords.

Eastern States.

RICHMOND, March 31st—Jadge Underwood to day granted an injunction restraining Ellison from action as mayor;
he also refused to grant an appeal on
the grounds that the injunction is temporary, continuing only till next term.
Ellison's counsel gave notice of intention to disobey the order to have Ellison arrested and have a hearing of his case before the Supreme Coart on a writt of the snabhing act constitutional, which decision affects nearly all the officers in

Wishington, March 31st—A meeting of officers who served with General Thomas was held this evening to make arrangements for paying a suitable tribute to the memory of their beloved

Montreat, March 30th. It is reported that a quantity of arms were found of the Government steamer Sir James Douglas, a national field of England, aged 46 years.
