### CANADIAN MAJOR PRAISES TANLAC

Former Member of Mounted Police and Overseas Officer Says It Restored His Health.

"I have tried Tanlac and give it my unqualified endorsement," declared Sed Park, of Victoria, B. C., who formerly was connected with the Royal Northwest Mounted Police and during the war was a Major in the Canadian Expeditionary Force.

"For the past two years my health declined, brought on by a chronic case of stomach trouble," said Maj. Park. "My appetite was gone and I ate very little of anything, for gas would form on my stomach and give me a heavy bloated feeling and cause my heart to palpitate till I could hardly breathe. "I was constipated, had awful headaches and many times I wasn't able to work. While in France I was shell-shocked and my nerves were simply a total wreck. It was hard for me to get to sleep at night and then I was disturbed by terrible dreams. My back, too, was weak and pained me constantly.

"A few weeks ago I started taking Tanlac and I feel better and stronger in every way and am enjoying the very best of health. My appetite is fine and everything agrees with me perfectly. I am not troubled with constipation or headaches and my back never hurts me at all. My nerves are quiet and steady and I sleep fine every night."

Tanlac is sold in Campbellton by THOMAS WEIR, Druggist, in Jacques River, by S. McALLISTER, in Archibald Settlement, by M. SMERER, in River Charlie, by W. H. GLEN, in Chaudiere, by ARTHUR NADEAU, in Kedgwick, N.B., by the RICHARD MFG. CO. LTD.

### THE GLAD DAYS ARE COMING

Mary Pickford's First "Big Four" Picture Here Next Week.

"Pollyanna" the wonderful glad story is to be shown at the Opera House on Wednesday and Thursday of next week.

This is Mary Pickford's first "Big Four" (Mary Pickford, Charlie Chaplin, Douglas Fairbanks, and D. W. Griffith) picture under the banner of the United Artists Corporation.

No picture produced during 1920 has received the amount of favorable comment and unstinted praise which has been showered on Mary Pickford's "Pollyanna" by theatre patrons, picture reviewers and critics all over the country.

The Moving Picture World, one of the leading trade journals characterizes it as "a gem of exquisite pathos and humor." Motion Picture News, another leader among picture magazines, has the following:

"Nothing quite so delicate has ever been done. It stands a production with which no comparisons can be made, the supreme effort of true artists."

These are not paid advertising, but the remarks of unbiased critics whose sole business is to review picture productions.

The story by Eleanor H. Porter is too well known to need further comment. Campbellton theatre-goers need not fear to tell their friends that the best treat, in a long time, is in store for them if they will only visit the Opera House on Wednesday and Thursday next week.

### MANY IDLE

Four thousand employees of the Dominion Steel Corporation in Cape Breton are idle, pending the settlement of a wage dispute, and it is said there is a possibility of a tie-up of the Scotia plant. This, at the beginning of winter, is not a cheering outlook. There are already many idle men in Nova Scotia, for whom the winter prospect is far from bright.

GOVERNMENT MEETING.

The next meeting of the provincial government will be held in Fredericton on Wednesday evening, December 1, so Premier Foster announced. It is expected that one of the most important matters to be taken up at this meeting will be the appointment of a successor to Rev. W. D. Wilson as chief inspector under the Prohibition Act.

The premier said that the appointment of a commission for the wholesale distribution will not likely be made at this meeting.

OBITUARY.

Nathan Bulmer.

Matapedia, Que. Nov. 22nd, 1920.—Many friends will learn with regret of the death at his home in this place of Mr. Nathan Bulmer, one of our oldest and most respected citizens.

Mr. Bulmer had been in failing health for several months and in spite of all that nursing and medical skill could do the end came on Sunday evening, the 7th inst.

The deceased was born at Brookfield, N. S., and came to this place when a very young man, working on the construction of the Intercolonial Railway and after the completion of the road he filled the position of foreman on the Moncton and Mont Joli Division and was regarded by the management as one of the most efficient and trustworthy employees. He was superannuated the first of last March.

He was over twenty-five years a member of the Independent Order of Foresters and also a member of the International Brotherhood of Railway Employees.

He is survived by a loving and devoted wife, one brother George Bulmer, of Grand Falls, Montana, U.S.A., one sister Mrs. Margaret Thompson, of Truro, N. S., four sons and four daughters, Edwin of Woodstock, George of Sudbury, Ont., Thomas of Bellstock, N. B., and William at home. The daughters are: Mrs. Porter Pratt of Matapedia, Mrs. Alexander Taylor of Bellingsham, Mrs. William Mann of Matapedia and Miss Maud, night supervisor of Lawrence General Hospital, Lawrence, Mass.

A very impressive funeral service was conducted at the home of the deceased by Rev. Mr. Camp of Campbellton, N. B. The pall-bearers were Mr. Jas. Patterson and Mr. Joseph Mann of Campbellton, representing the Railway Brotherhood, Mr. E. Chapard and Mr. William Irvine of the Order of Foresters and Mr. Porter and Alexander Pratt.

Many beautiful floral offerings were laid on the casket. Interment was in Matapedia Protestant Cemetery.

### Mr. F. F. CAREY AGAIN REMEMBERED

This Time by the Mechanical Staff of the C. N. Railway Here.

Mr. F. F. Carey, who for several years occupied the position of Assistant Master Mechanic on the Campbellton Division of the C. N. R. and who a few weeks ago had been transferred to St. Maurice Division with headquarters in Quebec, was in Campbellton over the week-end. During his visit the mechanical staff on this division took occasion to express to Mr. Carey the high regard in which they held him. This presentation was to have been made Mr. Carey before his departure but the non-arrival of the watch prevented the presentation as planned. During Mr. Carey's visit here over the week-end, Mr. E. B. Price, locomotive foreman, waited upon Mr. Carey and presented him on behalf of the mechanical staff with a handsome 14k gold watch as a slight token of the high esteem in which they held him. The inscription upon the watch case reads as follows:—"Presented to F. F. Carey by Mechanical Staff, Campbellton, Nov. 20th, 1920."

Needless to say Mr. Carey was taken completely by surprise. He nevertheless expressed to the men his high appreciation of the valuable services they rendered him, during his term of office here, all work having been carried on most satisfactory and in perfect harmony among all members of the staff. He also expressed his pleasure on the loyal support and assistance given him by his staff, as on many occasions they were naturally called upon to do work at such times as made it most inconvenient to themselves, yet on no occasion when this was required was there any complaint. The handsome and valuable gift presented him he assured the men was much appreciated, and would at all times remind him of the pleasant relations existing between the staff and himself, during the remaining years of his life.—Cor.

### CHAS. BOUDREAU'S BARN BURNED

Barn and Contents Go Up in Smoke—Loss Very Heavy.

A barn belonging to Mr. Charles Boudreau at Carleton, P. Q., was totally destroyed by fire at an early hour on Sunday morning. The barn was located about one hundred yards from Mr. Boudreau's house and he had no knowledge of the fire until he arose in the morning at his usual hour, when he was surprised to find the barn was then about falling in.

Mr. Boudreau's loss will be a heavy one, as the barn contained about twenty tons of hay, all his farming implements, twenty head of cattle and three horses, all being burned. The origin of the fire is unknown, but is believed to have originated from a spark from a pipe when feeding the cattle the previous evening. There was no insurance upon the barn or its contents.

### FAVORS NORTH SHORE LEAGUE

Bathurst Fans Out For League Among Local Towns Only.

Bathurst, Nov. 20.—There was an excellent attendance at the annual meeting of the Bathurst Hockey Club which took place in the Board of Trade rooms last Monday evening, and the young men who were present were full of enthusiasm over the outlook for the coming season.

The report of the Treasurer, Mr. Wilfred McManus, for the past year's operations showed a slight deficit, but it was adopted without debate.

Officers elected for the coming year were as follows: President, Geo. A. Schryer; Vice-President, J. Harold Kent; Secy-Treas, Wilfred McManus.

The meeting was in favor of forming a North Shore League, as well as a Provincial League, as this could make schedules easier to arrange and operate.

A local league of four teams was also decided upon, composed of Pulp Mill, Town, G.W.V.A. and K. of C. with Gordon Moar, W. McManus, Harry Sweeney and Harry McKean respectively representing the teams.
