WHAT A BOWMANVILLE EDITOR HAS TO SAY REGARDING DISOS'S CATARRIS ERREDT.

BOWEARVILLE, Canada, Jan. 2 1883.

To the Editor of the Statesman.

Dear Sir, —Perhaps some of your readers are afficted with that dreadful disease—Catarrh. If so, I ask permission to say through the Statesman that I have been a subject of Catarrh for the last twenty years and for the last eight years no one can tell the pains I have endured. At time I had a dull, heavy headache, discharge failing into the throat of a thick tenacious mucus. My eyes were weak and watery, ringing in the ears, deafness, hacking and coughing to clear the throat, and at times I was almost softenessed. I consulted s.me of the best physicians of the day, but to no effect. I have tried eyery kind of patent medicines, washes and sunfs, that I could hear of, but did not receive the least benefit until I tried Dixos's Catarris Remedy. On the 5th August last I procured the remedy and started its use immediately, and by the use of only three treatments I consider myself permanently cured. Its beneficial action was immediate and the cure speedy. Judging from the effects of this treatment on myself, I am satisfied that Dixon's is the only known treatment for Catarrh which will effect a permanent cure. To all who are suffering grom Catarrh I must conscientiously say: Give Dixon & Son's Catarrh Remedy a fair trial; it is "worth its weight in gold."

Richard Oke.

Note by the Publisher.—The Publisher of the Note by the Publisher.—The Publisher of the Statesman has had an intimate acquaintance with Mr. Oke for about thirty years, and can, with scores of others, vouch for the correctness of the above statement. We have never known so bad a case of Catarrh as Mr. Oke's was, and the use of Dixon's Catarrh Bemedy has effected a perfect cure, so that no symptoms whatever of the disease remain. We gladly give space to Mr. Oke's letter in the hope that it may be of benefit to some victim of Catarrh. Messrs. A. H. Dixon & Son will send a treatise on Catarrh free on receipt of stamp. 6 G. A. Dixon, Frankville. Ont., says : Toronto, 'He was cured of chronic bronchitis that troubled him for seventeen years, by the use of Dr. Thomas' Eelectric Oil.'

A sailor dropped out of the rigging of a ship-of-war, some 15 or 20 feet, and fell plump on the head of the first lieutenant. "Wretch," said the officer, after he had gathered himself up, "where the dickens did you come from?" "Ah, sure, I came from the north of Ireland, yer honor." The great cause of much misery and ill health is a disordered condition of the kidneys; an effectual combination of diuretics is found in Burdock Blood Bitters that thoroughly renovates the kidneys and other important glandular organs, and strengthens the debilitated system.

A well-known journalist was taking a walk one evening with his wife, when she, who is somewhat romantic and an admirer of nature, said, "Oh, Georgey, just notice the moon!" "Can't think of it, my dear, for less than two shillings per line," was the

An Honest Opinion.

John Taylor, of Toronto, says he has tried every known remedy for rheumatism, and can honestly recommend Hagyard's Yellow Oil as the best of all; he has been a sufferer from rheumatic pains for years.

"Yes, sir," said the wood-dealer, "I prefer to sell wood to men who do their own sawing. You can't convince a man who has worked all day at a wood-pile that there isn't a full seriod of it."

To assist NATURE most effectually in her To Assist Nature most effectually in her efforts to throw off or resist serious disease, it is essential than impulse should be given to functions which growing ill-health suspends or weakens, namely, the action of the bowels, bilious secretion, and digestion. Oftentimes, though this is impracticable by the use of ordinary remedies, it proves an easy task when Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is resorted to.

SUMMARY OF THE REPORT.

SURPLUS Jan. 1, 1883. By Conn. and Mass. Standard..... By New York and Canada Standard

\$6,000,000.00 The enormous surplus which the ETNA LIFE has accumulated enables it to furnish insurance at lower rates than it is possible for the majority of companies to do. Estimated by the most rigid standard, the surplus now exceeds four and a half millions. This large surplus fund, it will be seen, not only insures absolute protection to policyholders, but it is a continued source of profit to them. The officers of the ETNA are to the end of their successful management as evidenced by each recurring year.—

The Age.

The Age.

The ETNA commences the new year with brilliant prospects. Its investments are their cost a larger percentage than in any previous year. Its forces are well organized, and the company will continue increasing its business and usefulness. The friends, patrons, and management of the ETNA LIFE may well feel proud of it.—Hartford Evening Post.

"THE ZINA" Is the name of a very handsome quarterly journal published by the Company and mailed to each Policy-holder throughout the world. The number for April, 1883, contains the \$1000 or over paid during 1882. A copy of "THE ETNA" will be sent free of expense to any one asking for it.
