States toward Canada has been all them by a jingo policy against Great along based upon this assumption. Its Britain. Not only the British people a confession from us of our inability to struggle along as a nation, except as an annex of the Republic. From plomacy of Europe, that has not at time to time the Government of the his finger ends the disreputable con the bonding privileges we enjoy with that country, to interrupt the internaticnal railway service that exists between the two countries, and in other ways force Canada into annexation. But the more pressure that our advantage which Mr. Cleveland took neighbors have put upon us, the more of it at a time when he was seeking have we resented the idea of throwing

Instead of weakening, the influence of Greater Britain on the American continent is becoming stronger and stronger. It is our growing strength that makes the people of the United than you, and possessed of as much States jealous. A short time ago they right to assert a Monroe doctrine fendly imagined that British influence on this continent would soon reach the and perhaps a little more. England is point at which it would vanish en- no more a foreign power in America titely. Now, however, they see that than are you, and the sconer you adthe Empire is firmly established on mit the fact, as admit it you must, this continent, and that it intends to remain here for all time to come. That section of the American people who are responsible for President Cleveland's message are extremely annoyed at the increasing influence of Great Britain in America. They are jealous of our trade in the Pacific, they are jealous of our trade in the Atlantic, and they are especially jealous of the this city. In the first place, the Dogieat scheme of imperial federation which is now taking shape and which advantages to induce the company to will be the means of strengthening our position on this continent by making Canada part of the greatest interest of grant the company valuable privinational highway on the earth. In-stead of having no locus standi in ference to any other place in the Domin-Great Britain is planting her feet too firmly on the continent to please our neighbors. The cause of their jealousy

is not that Great Britain is a Euro-

in our lot with them or of yielding

A USEFUL Present-a SUITABLE Present-a HANDSOME Present, Russians, on their side, have always relied on the United States to assist them if the two great powers of Euupon the members of the City Council of the article presented. Utility can never be classed as a fault. The rope came into conflict, either in Asia to use their best endeavor to secure Sultan of Turkey might appreciate a jeweled Turban, but it would be rather a useless gift to a Canadian gentleman friend.

There are thousands of Christmas presents which are like so much useless lumber among a man's possessions. But the SLIPPER, with the we would at the same time like to ease it suggests in the leisure time of evening, is always a valued as England has it in her hands to-day see this unhealthy rivalry between the to discipline the United States without cities of Ontario prohibited.

We would at the same time like well as useful gift. SLIPPERS never were of such handsome appearance with us as they are this year. New ideas in design, material and finish. Shapes and colors suggestive of foot rest and home comfort.

> We sell a very handsome Seal leather slipper in five colors and every size at \$1.50 per pair-Plush slippers, with deep tinted floral designs, at \$1.75 and as low as 50c—Alligator slippers at \$2.00 and as low as \$1.00—Serviceable and neat Dongola slippers at \$1.00—Morocco leather silk-worked slippers, in all the elegance of Oriental design, at prices which will make you wonder why you had not thought of them before.

> Year succeeds year and each brings its own tale of joy or sorrow, of ambitions thwarted or hopes fulfilled, but in this store each xmas time finds the same open-handed generosity, the same desire to make

all happy.

In addition to low prices we PRESENT to every purchaser of \$1.50 worth of Boors and SHOES a handsome wax doll or the choice of several other articles, such as Boats, Sleighs, Games, etc.; to every purchaser of \$2 worth a 25-inch wax doll or a large beautifully dressed doll, No marking up goods to cover expense. The prices will be just the same as they have been, and everyone in the city knows that our

prices are lower than the lowest special prices of any other house. Bring the Little ones and let them see and hear EDISON'S atest and improved ELECTRICAL GRAPHOPHONE-rendering selections by Sousa's Band-comic songs and recitations. This Wonderful Talking Machine can be heard distinctly in every part of the building.
