Established 1879

**Whooping Cough, Croup, Bronchitis**  
**Cough, Grip, Asthma, Diphtheria**

**Cresolene is a boon to Asthmatics**  
Does it not seem more effective to breathe in a  
remedy to cure diseases of the breathing organs  
than to take the remedy into the stomach?  
It cures because the air rendered strongly anti-  
septic is carried over the diseased surface with  
every breath, giving prolonged and constant treat-  
ment. It is invaluable to mothers with small  
children.

Those of a consumptive  
tendency find immediate  
relief from coughs or in-  
flamed conditions of the  
throat.  
Sold by druggists.

**Bank Failures During The Past.**

Since Confederation there have been no  
less than eighteen suspension of chartered  
banks in Canada but only a few of them  
have been at all widespread in their effects,  
and nearly all have paid their depositors in  
full, and the record of the percentages paid  
the depositors is as follows:  
1868—Commercial Bank of New Bruns-  
wick. Depositors paid in full.  
1872—Bank of Acadia.  
1872—Metropolitan Bank of Montreal.  
Depositors paid in full.  
1879—Mechanics' Bank of Montreal.  
Depositors paid 57 1/2 per cent.

positors paid 10 to 10 per cent.  
1887—Picton Bank, N. S. Depositors  
paid in full.

**SICK WOMEN**  
**MADE WELL.**

Thousands Find the Way Back to  
Health Through Ferrozone.

No need so many sick girls and women.  
Their ills are curable if they give them  
proper treatment.  
Nutrition must be supplied, blood must  
be enriched, nerves strengthened, and ad-  
ditional power given to digestion.  
Ferrozone does this and more: it cures such  
cases as Mrs. N. E. Pesbody, of Trenton.  
She was a wreck—never thought medicine  
was made that could restore her, yet Ferro-  
zone was successful.  
Among her troubles were:  
Headaches, Weariness,  
Nervousness, Weakness,  
Palpitation, Loss of flesh,  
Dizzy spells, Poor appetite

**HER STATEMENT.**  
"I was stricken with nervous disease of  
the heart and stomach. Violent headaches  
made life a torture. I was so nervous and  
weak I could scarcely walk. Work was  
impossible. I couldn't eat or digest any-  
thing. When completely wrecked Ferro-  
zone restored me. To-day I am vigorous  
and strong and well."  
If you lack power of either mind or body  
it's an evidence you need Ferrozone.  
If you have nervous spells, feeling of  
weakness in the limbs, tiredness in the  
morning, you are sure of cure with Ferro-  
zone.  
Think of it, Ferrozone gives back the  
energy of youth, restores vital stamina and  
creates a surplus of vigor simply because it  
supplies the concentrated nourishment your  
system needs. 50c. per box or six for \$2.50  
at all dealers.

**Diphtheria in Windsor.**

Dr. Storey, medical health officer, of  
Walkerville, has ordered the King Edward  
school closed in that town, owing to an out-  
break of diphtheria. Thirteen cases have  
been reported. The cause is ascribed to  
poor drainage near the school.

**No Irish Halfbreeds.**

"I see," said the Proper Fool, "that  
one of the mounted police has had quite  
a trip through the arctic. He came  
across a Scotchman up there who had  
married an Esquimaux."

"I raise to remark," put in Mister  
McGaherty, "that he found no Oirish-  
min up there marra'd squaws. There's  
English half-breeds, an' there be Scotch  
half-breeds, but, by cripes, ye never saw  
an' Oirish half-breed!"

"The Oirish is mighty pertickier who  
they 'sociate wid, so they are. Oirish-  
man that would marry a colored woman  
would be disowned by the whole nation,  
so he would. His mother wud die uv a  
broken heart, so she wud, an' his sisters  
wouldn't spake to him on the street, so  
they wouldn't."

"No matter where the poor Oirish goes  
they hunt up a white woman annyways,  
an' the childer do be white an' mostly  
red-headed, so they are, and some uv  
them hev freckles on thim. You never  
saw freckles on a half-breed, so ye didn't  
—an' a red-headed mulatty would be a  
proper curiosity."

"Oireland may be poor, but she's  
white, so she is. She may be down-  
throdren an' prosecuted, but she's white  
—she's whole! I haven't got nothin'  
agin colored folks, whether they be black,  
or red or yallah; but as Oirish won't  
marry thim, an' that's an ind to it. The  
English, an' the Frinch, an' the Scotch  
are welkin to him, so they are, but noth-  
in' in ours, thank ye kindly."

"The worst Oirishman in the wor-rid  
may be as black as the devil inside, but  
he's got a whole pelt annyhow, an' that'll  
stan' him in good stead when Gabriel  
blows his bugle, an' don't ye forget it, me  
riend." —The Khan.

**Select Your Medicine With Care.**

In debility and weakness medicine should  
be mild and far reaching. Many pills and  
purgatives are too harsh, are drastic instead  
of curative. Excessive action is always  
followed by depression, and knowing this,  
Hamilton devised his pills of Mandrake and  
Butternut so as to mildly increase liver and  
kidney activity, flush out the elementary  
canal, tone and regulate the bowels. Thus  
do Dr. Hamilton's Pills eliminate poison  
from the body, restore clearness to the skin,  
bring strength and that sweet restorer of  
health—sleep. Best medicine on earth,  
25c per box at all dealers.

**Ten New Engines.**

The Grand Trunk is now using no less  
than ten engines of what is known as the  
"Hundred Class" on the middle  
division, between Toronto and Sarnia  
Tunnel.

Some of the engines are used in the  
passenger service on the old main line  
between Toronto and the tunnel, via  
Stratford and London, and via Hamilton  
and London.

The new locomotives are very similar  
in appearance to those of the 900 class  
but they have an advantage in that they  
are capable of making better time al-  
though they cannot haul as heavy a train.  
They are now used regularly on the East-  
ern Flyer and the International Limited.

**One of The Saddest Stories.**

First it was a cold, neglected of course  
and catarrh developed. Nothing was done  
and consumption followed. Watch the lit-  
tle cold and keep it from growing by using  
"Catarrhzone." Nothing simpler than in-  
haling the germ killing vapor of this  
grand remedy. Colds and catarrh flee  
as before fire. Every trace of throat  
and bronchial trouble yields immediately.  
Catarrhzone is scientific and absolutely  
guaranteed for preventing and curing  
catarrh and kindred ills. Two sizes,  
25c and \$1.00 at all dealers.
