Totem Poles at Stanley Park, Vancouver.

Have you ever heard of Clo-oose?

Appearances may be against it, but it is a typographical error; neither is it a bird-call, Chinese for chewing-gum. It is, as a matter of a thriving town on Vancouver Island, rapidly being famous for its salmon, shooting and scenery, as one of the most interesting spots on the coar British Columbia.

This coast is yearly becoming more popular tourists from the South — California, Seattle, Eastern Canada and practically everywhere else, that detached portion of the coast, known as couver Island is especially attractive. It possibeauty of a mountainous, rugged, arboreal type celled in magnificence only by the Rocky Moun and unexcelled anywhere for its hunting and fish Incidentally, too, the Island is traversed by puniding highways, which are a delight to mote and a credit to the Provincial Highway Departs Indians (who have become so used to tourists, no longer scalp them) inhabit most of the vill which are scattered along the Coast. They have however, entirely abandoned the practice of scalbut nowadays they confine their activities in this spect to salmon, herrings, whales and similar tr They (the Indians not the whales), are a thr sober, industrious people engaged for the most in catching fish and canning them in the local tories.

The Island is reached by means of a ferry-

The Island is reached by means of a ferry"The Motor Princess"—operated by the Canau
