Oliver Optic owes his popularity to a pleasant style, and to a ready sympathy with the dreams, hopes, aspirations, and fancies of the young people for whom he writes. He writes like a wise, overgrown boy, and his books have therefore a freshness and raciness rarely attained by his fellow scribers. — *Christian Advocate.*

These books are exciting narratives, and full of stirring adventures, but the youthful heroes of the stories are noble, self-sacrificing, and courageous, and the stories contain nothing which will do injury to the mind or heart of the youthful reader. — *Webster Times.*

Boys and girls have no taste for dry and tame things: they want something that will stir the blood and warm the heart. Optic always does this, while at the same time he improves the taste and elevates the moral nature. The coming generation of men will never know how much they are indebted for what is pure and ennobling to his writings. — *R. I. Schoolmate.*

Oliver Optic is the apostolic successor, at the "Hub," of Peter Parley. He has just completed the "Woodville Stories," by the publication of "Haste and Waste." The best method to give of them is to mention that a couple of publishers pulled them out of the pile two weeks ago and are yet devouring them out in the open air (albeit autumn leaves cover it) obtrusively in time. — *N. Y. Leader.*
