

*Jesus :*

*To our Friends and Benefactors,  
Those who love Thy Blood divine,  
Give the brightest thrones in heaven,  
Close, oh Jesus dear, to Thine,  
On their brows with glory radiant,  
Place bright diadems so fair.  
May they, in boundless joy and triumph,  
The glorious palm of victory bear.*

*The Sisters Adorers of the Precious Blood.*
