The Convention Offering for the year just closed, amounted to \$265.04, being \$84.96 less than what was required of us, and \$23.59 less than our contribution last year. Either Denominational interests must decrease, or some other church will have to bear our burdens. This year we should give heartily and not keep in the rear.

W. M. A. S. is pleased to announce that they have another Life Member this time in the Foreign Mission Department. The honor has been conferred upon Mrs. Watson Eaton. Her deep interest in this part of the Lord's vineyard is well known. We hope that our sister may long be spared to share in the joy of our work. The second opening of the mite boxes revealed the fact that they contained \$23.25. They have been a success this year, so are still to be found in the homes of our members gathering mites for Missions. The following delegates were appointed to attend the W. B. M. U.
