GENTLEMEN,—I have used PUTTNER'S EMULSION OF COD LIVER OIL, etc., for a number of years and have found it a remedy of great use in many forms of disease, especially in Pulmonary Complaints, Consumption, Anæmia, and in fact in any state of the system showing a DEPRAVED CONDITION OF THE BLOOD, with LACK OF TONE and deterioration of vital forces. I have also used it, with very much satisfaction, in *Wasting Diseases of Children* and some other complaints incidental to childhood.

# CATARRH: A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicine and other advertised cures never record a cure. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star.*

# Guizot's CELEBRATED ILLUSTRATED HISTORY OF France

REDUCED IN COST from \$33.00 to \$8.00, or comparing contents fairly, from \$49.50 to \$8.00, for the only other American edition of GUIZOT comes down to *The French Revolution*, only, and is continued to Napoleon III. by MARTIN, and \$49.50 is the published price of the two works. **THIS ILLUSTRATED LIBRARY EDITION** covers from the earliest times to 1848, is written by M. Guizot, Prime Minister of France, and completed from his notes by his daughter, Madame Guizot De Witt. It is published in 8 volumes, small octavo, printed from the type shown by these lines contains the 426 Illustrations, mostly full-page, of the imported edition, is bound in tasteful Library style, dark green cloth, beveled boards, gilt tops. Price of the set, only \$8.00 by express, or, sent prepaid for \$9.60.

and gives it from the pen of a master, that can be thought of as a rival to the mammoth production of Guizot. How Mr. Alden can give the eight volumes, and this on good paper, and clear type, including the multitude of illustrations, is a thing we have *CIPHERED* over, but we fail to understand it. The first volume gives substantially the beginnings of French history. It is of necessity the duller of the eight, yet *with Guizot even logarithms would be readable.*—*Christian Leader*, Boston, Mass.

"There is only ONE DRAWBACK... it seems more like getting a present than making a purchase. Guizot is the most brilliant of French historians, as well as the most to be relied upon. He is the Macaulay of the history of France; his style and treatment are philosophical, didactic, rich in detail, dramatic in arrangement. His narrative is full of emotion, like a quick stream; his characters rise before us as in the flesh; they are men and women, not historic clay figures. It is as charming as any romance, and the interest is permanent. It is a work to keep and read and re-read for years."—*Dominion Churchman*, Toronto, Canada.

"The MARVELOUS CHEAPNESS of these profusely illustrated and handsomely bound volumes must provoke comment everywhere. Each volume is easily worth \$2.00, according to the standard of prices asked. This is the only complete American edition of this work, which is known as the best popular history of France."—*Journal*, Indianapolis, Ind.

"In the reproduction of this work the publisher has outdone all previous efforts, and has given us a MARVEL of EXCELLENCE, in every respect, at a marvel of cheapness."—*Christian at Work*, New York.

*Hundred-Page Catalogue, free, descriptive of the best books of the world, at the lowest prices ever known, together with terms upon which books are sent for examination before payment, to any one on application.
