Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. For fifteen years I was afflicted with Lung trouble. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used.—C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night Sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

Last year I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

CURED ME. SAVED MY LIFE.

In the twenty years that have since elapsed, I have had no trouble with my Lungs.—B. B. Bissell, Editor and Publisher *Republican*, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health.—E. Felter, Newtown, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded me no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and before I had finished one bottle, found it was helping me. I continued to take this medicine until I was cured. I believe that Ayer's Cherry Pectoral saved my life.—Samuel Griggs, Waukegan, Ill.

When about 22 years of age, a severe cold affected my lungs. I had a terrible cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life.—C. G. Van Alstyne, P. M., North Chatham, N. Y.
