Dear Sirs,—I have used Yellow Oil

equal for croup. Mrs. J. S. O'Brien,

The pleasing poison the visage quite  
transforms of him that drinks, and the in-  
glorious likeness of a beast fixes instead,  
unmoulding reason's mintage charactered

### A PRETTY FACE

Is the result of a healthy physical condi-  
tion. "Beauty is but skin deep" yet it  
greatly depends upon a clear complexion,  
free from wrinkles and hollow cheeks.

Health always brings wealth of beauty.  
A healthy state of the system comes with  
Doctor Pierce's Favorite Prescription. It's  
a medicine prepared for woman's ailments  
—it cures those derangements and weak-  
nesses which make woman's life miser-  
able.

A woman who neglects to take proper  
exercise is particularly prone to excessive  
congestion, debility and a sluggish circula-  
tion. This is the time we advise the  
"Prescription." In all derangements and  
displacements of the special organs which  
result in "signs of inflammation," in  
catarrhal discharges from the lining mem-  
branes, and in distressing irregularities—  
this medicine is guaranteed to cure, or the  
money will be returned.

It is one of the best bonds, both for  
chastity and obedience, if a wife thinks  
her husband wise; which she will never  
do if she finds him jealous.—Bacon.

Jacksonville, Fla.,

To whom it may concern—and that is  
nearly everybody—This is to certify that  
I have used Coutts & Sons' "Acetocura"  
on myself, my family, and hundreds of  
others during the past fifteen years for  
headache, toothache, rheumatism, sciatica,  
sprains, cuts, boils, abscesses, scarlet fever,  
chills and fever, and also with good suc-  
cess on myself (as I was able) in an attack  
of yellow fever. I can hardly mention all  
the ills I have known its almost magical  
power in curing, such as croup, diarrhoea  
biliousness, and even those little but sore  
pests to many people—corns. The trouble  
is with patients, they are so fond of apply-  
ing where the pain is—and not where  
directed, at the nerve affected. And the  
trouble with the druggists is that they

## BRITISH DOMINION WINE.

Manufactured from the Best Canada Grapes  
without the use of either artificial coloring or  
distilled spirits in any form.

After repeated chemical analyses of the Wines made  
by Robert Bradford of No. 595 Parliament St., Toronto,  
I do not hesitate to pronounce them to be unsurpassed  
by any of the native Wines that have come under my  
observation.

Analyses show them to contain liberal amounts of  
the ethereal and saline elements, sugar and tannic acid  
etc., characteristic of true Wine and which modify  
materially the effects which would be produced by  
alcohol alone.

Retaining to a high degree the natural flavor of the  
grape, they serve the purpose of a pleasant table Wine  
as well as that of a most valuable medicinal Wine.

A POPULAR BOOK FOR AGENTS.

The Rev. Francis E. Clark's new book,  
"Our Journey Around the World," is  
having a great sale, and is unquestionably  
the most popular subscription book of the  
day. The volume has decided merit, is  
splendidly illustrated, just the book for the  
family, and no better gift can be made  
by father, mother, brother, sister or friend.  
As President of the United Society of  
Christian Endeavor, Dr. Clark is beloved  
by more than two million members of that  
order. The publishers, Messrs. A. D.  
Worthington & Co., Hartford, Conn., want  
more agents for this book—both men and  
women—and they offer great inducements  
to them. Their advertisement appears in  
another column. Our friends who are in  
need of profitable employment will find  
this good book just the thing to work for,  
a book they need not hesitate to offer to  
their friends, and they will be pretty sure  
to do well with it between now and the  
approaching holidays. We can commend  
the book as being especially attractive and  
exceedingly desirable for agents.
