OUR NATIONAL COFFEE

Postum

Physicians know that drugs will not correct the evils caused by coffee. Coffee causes "Our National Disease — Dyspepsia."

The only remedy is to stop short on the coffee and use Postum Cereal Coffee in its place. A physician of Heber, Ark., says:—"I have been a coffee drinker for 50 years, and have often thought that I could not live without it. After many years of suffering from our national malady, dyspepsia, I finally attributed it to the drinking of coffee, and after some thought determined to use Postum Food Coffee. I soon found myself so much better I used it at all meals, and I am pleased to say it has entirely cured me of indigestion.

"I gained 10 pounds in 4 months, and my general health is greatly improved." Name given by Postum Cereal Co., Battle Creek, Mich.
