MURRAY & LANMAN'S FLORIDA WATER. THIS rare Perfume is prepared from tropical flowers of surpassing fragrance, without any admixture of coarse essential oils, which form the staple of many "Essences" and Extracts for the Toilet.

WHAT ARE ITS ANTECEDENTS? For twenty years it has maintained its ascendancy over all other perfumes, throughout the West Indies, Cuba and South America, and we earnestly recommend it to the inhabitants of this country as an article which for softness and delicacy of flavor has no equal.

HEADACHE AND FAINTNESS Are certain to be removed by freely bathing the temples with it. As an odor for the handkerchief, it is as delicious as the Otto of Roses. It lends freshness and transparency to the complexion, and removes RASHES, TAN and BLOTCHES from the skin.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, corrective and alterative, of wonderful efficacy in Disease of the STOMACH, LIVER AND BOWELS.

PROTECTIVE PROPERTIES: Prevents Fever and Ague, and Bilious Remittent Fever; fortifies the system against Miasma and the evil effects of unwholesome water; invigorates the organs of digestion and the bowels; steadies the nerves, and tends to PROLONG LIFE.

REMEDIAL PROPERTIES: Cures Dyspepsia, Liver Complaint, Sick and Nervous Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Sea-Sickness, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial, and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind; no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusible stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water, and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistible as a remedy. Thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvellous medicine.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of DYSPEPSIA, and in less confirmed forms of INDIGESTION. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the CONSTIPATION superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirit, and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of BILIOUS COLIC is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

For Sea-Sickness it is a positive specific—either removing the contents of the stomach, and with them the terrible nausea, or relieving the internal irritation by which the disposition to vomit is occasioned.

As a General Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay, and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is The Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acrid elements present more or less in all the ordinary tonics and stomachics of the day.

The fact is well known to physicians that the basis of all the medicinal stimulants of the pharmacopoeia is fiery and unpurified alcohol, an article which no medicine can deprive of its pernicious properties. The liquors of commerce are still worse. They are all adulterated. Hence the faculty, while universally admitting the necessity for diffusible tonics, hesitate to employ those in common use lest the remedy should prove deadlier than the disease. During the last twenty years, the quality of these articles has been continually deteriorating, and it is notorious that the fluids which bear the names of the various spirituous liquors, are flavored and fixed up with corrosive drugs, to a degree which renders them dangerous to the healthy and murderous to the sick. Under these circumstances, medical men are glad to avail themselves of a preparation absolutely free from those objections, and combining the three invaluable properties of a stimulant, a corrective, and a gentle laxative. HOSTETTER'S BITTERS are therefore held in high estimation by our most eminent practitioners, and bid fair to supersede all other invigorants, both in public hospitals and in private practice. No family medicine has been so universally, and it may truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.

Prepared by HOSTETTER & SMITH, Pittburgh, Pa., U. S., and Sold by all Druggists. Agents for Montreal—Devins & Bolton, Lamplough & Campbell, K. Campbell & Co., J. Gardner, J. A. Harte, A. G. Davidson, Picault & Son, and H. R. Gray.

PURE NATIVE WINES.

THE SUBSCRIBER offers for SALE a PURE LIGHT WINE made from the NATIVE GRAPES of Worcester County, Mass., by Mr. S. H. ALLEN, of Shrewsbury.

It will not be found to satisfy the lovers of heavy foreign Wines, which, even when genuine, are highly fortified with Alcohol, to prepare them for exportation, and in the majority of cases are only skillful imitations, made from neutral spirits, water and drugs; but those who have drunk the pure light German Wines, or the Chablis Wine of France, and have a taste for them, will appreciate such as is offered by the subscriber. Invalids who require a mild, safe stimulant; good liver who like a palatable dinner wine; and officers of Churches, who desire to procure a well authenticated and surely genuine article for Communion purposes, are respectfully solicited to purchase it. Any person desiring to do so will be at liberty to apply Chemical tests to samples of any of the stock on hand.

As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY.

For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed.

For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days.

For Salt Rheum, rub it well in as often as convenient.

For Sores on an inflamed surface, you will rub it in to your heart's content; it will give you such relief that you cannot help wishing well to the inventor.

For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.

For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.

This Ointment agrees with every flesh, and gives immediate relief in every skin disease flesh is heir to. Price, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass.
