The
Canadian Cement
and
Concrete Review

is the only exclusive cement paper in Canada, and has both.

It is reaching the cement interests in all parts of the Dominion. If you manufacture cement, cement machinery or supplies of any kind, calculated to interest cement workers, it will pay you well to advertise in our journal.

Advertising rates and copy of journal on request.

If you are in any way connected with cement and concrete interests and are not subscribing to our journal, you cannot do better than send your dollar in to-day for a year's subscription. You will be put in direct touch with all that is doing in the trade-projected work, and the discussion of the weighty problems constantly cropping up. You cannot find a better use for that spare dollar.

The September number will give an idea of what is being done in this line. Send for sample copy.
