The razor famous in all Europe. 150,000 in use in British army and navy. Made of finest English tempered steel (secret process); shaped in accord with new scientific principles; requires less stropping than any other razor. Starts the beginner right—a revelation to the experienced.

Our Portrait Gallery

A WESTERN SALESMAN.

We are pleased to be able to give this month the picture of Master Archie Stockton, one of our energetic 'Pictorial' Boys, out in Alberta. His comfortable home, backed by the rolling prairies, and his shaggy looking Western pony, make a characteristic Western picture.

Master Archie started selling the 'Pictorial' away back in October, earned a fine knife, a watch and chain, and takes his place as one of our most promising Western salesmen.

Why should not every boy that reads this advertisement fall in line and earn a watch and chain and fountain pen, a knife or cash commission, by selling the 'Canadian Pictorial,' Canada's popular illustrated monthly at ten cents a copy?

Send a postcard to-day for a package of twelve to start on, and our letter of instructions as to how to go to work.
