.....	Cover Page 3				

*Measure Fire-fighting Efficiency by Minutes—
Not by Number of Men and Miles of Hose.*

Northern Electric Company
LIMITED

MONTREAL HALIFAX TORONTO WINNIPEG REGINA
CALGARY EDMONTON VANCOUVER VICTORIA

Sole Manufacturers in Canada of

NORTHERN ELECTRIC GAMEWELL FIRE ALARM SYSTEM
"FOR MINUTE-SAVING EFFICIENCY."

**This—
Like every fire—
started small**

CHICAGO's great fire started in a cow-stable. Baltimore's started with a little flicker in a factory. A building never "bursts into flames"—until minutes after it has started. Save those minutes and you prevent big fires!

*The Greatest of Minute-Savers is
an EFFICIENT Alarm System*
