

TIMBER AND WOODWORKING

Expansion of the Krivtseye Comprehensive Logging Enterprise

Page No.

FORESTRY (Continued)

Planting Stock Produced in the Namangan Oblast State Forestry Enterprise.....	31
Buryat ASSR: Sea Buckthorn Plantations Fight Back the Sands.....	31
Azerbaijdzhan SSR: Almond Harvest.....	32
Siberian Nut Pine Nature Reserve.....	32
BAM Zone: Ul'kan Forestry Enterprise.....	33
Environmental Watch: Lake Baykal.....	33

The settlement of Krivtsey is being renovated. Two new residential buildings, built according to the profit- and loss-accounting system and a sports complex, have just been introduced into operation. The streets are now being asphalted. All this makes it easier to build up a solid workforce and facilitates successful production results.
