

AUDITOR'S REPORT

To the Canadian Institute for International Peace and Security  
and  
To the Right Honourable Charles Joseph Clark, P.C., M.P.  
Secretary of State for External Affairs

I have examined the balance sheet of the Canadian Institute for International Peace and Security as at March 31, 1985 and the statements of operations and equity of Canada, and changes in financial position for the initial six-month period then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Institute as at March 31, 1985 and the results of its operations and the changes in its financial position for the initial six-month period then ended in accordance with generally accepted accounting principles consistently applied.

Further, in my opinion, the transactions of the Institute that have come to my notice during my examination of the financial statements have, in all significant respects, been in accordance with the Financial Administration Act and regulations, the Canadian Institute for Peace and Security Act and the provisional by-laws of the Institute.
