CANADIAN INSTITUTE FOR INTERNATIONAL PEACE AND SECURITY

Financial Statements
March 31, 1992

I conducted my audit in accordance with the
generally accepted auditing standards.
These standards require that I plan and perform
the audit so that I am satisfied that I have
obtained sufficient appropriate evidence to
express an opinion on the financial statements.
An audit also includes assessing the accounting
principles used and significant estimates made by
management, as well as evaluating the overall
financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the
financial position of the Canadian Institute for International Peace and Security and the
changes in its financial position for the year ended March 31, 1992 in accordance with generally accepted
accounting principles.
