

General Importer Permit No. 17 (Cont'd)

GENERAL

5. Any scientist or scientific institution recognized by the Canadian Wildlife Service of the Department of Environment may, under the authority of this General Import Permit, import into Canada from any country, for the purpose of a non-commercial loan, donation or exchange between scientists or scientific institutions, herbarium specimens, other preserved, dried, or embedded museum specimens and live plant material listed in Appendix I, II or III of the Import Control List if a certificate of approval, issued by the Canadian Wildlife Service of the Department of Environment, is presented to the collector of customs at the Canadian port of entry.
6. Any person may, under the authority of this General Import Permit, import into Canada from any country, any specimen of fauna or flora listed in Appendix I, II or III of the Import Control List that forms part of a travelling zoo, circus, menagerie, plant exhibition or other travelling exhibition if a permit approving the importation is obtained from the Canadian Wildlife Service of the Department of Environment.
7. Where completion and validation of a customs entry form is required with respect to any specimens that are imported under the authority of this General Import Permit, that form shall be endorsed "Imported under the authority of General Import Permit No. 17" or "Importé en vertu de la Licence générale d'importation no 17".
