 - (i) information about the description, identity, location and nationality of the person sought;
 - (ii) a statement prepared by a judicial or public official of the conduct constituting the offence for which the extradition is requested, indicating the place and date of the commission of the offence, the nature of the offence and reproducing the text of the legal provisions describing the offence and the applicable penalty. This statement shall also indicate that these legal provisions were in force both at the time of the commission of the offence and at the time of the extradition request, and where the offence occurred outside the territory of the Requesting State, the legal provisions establishing its jurisdiction.

For that purpose, a summary of the facts of the case setting out the evidence available, including evidence of the identity of the offender, shall be admitted in evidence as proof of the facts contained therein provided that the competent judge or prosecutor that produces it, certifies that the evidence described in the summary was obtained in accordance with the law of the Requesting State.

The summary may include any reports, statement, reproduction or other useful documentation.

The summary may contain evidence gathered in the Requesting State or elsewhere and shall be admissible in evidence whether or not such evidence would otherwise be admissible under the law of the Requested State.
 - c) in the case of a person sought for the enforcement of a sentence:
 - i) the original or a certified true copy of the judgment or other document setting out the conviction and sentence to be served;
