Mr. Laniel, from the Standing Committee on Veterans Affairs, presented the Third Report of the said Committee, which is as follows:

Pursuant to its Order of Reference from the House dated May 3, 1966, your Committee has made a thorough examination of the Main Estimates (1966-67) of the Department of Veterans Affairs and has agreed to recommend same to the House for adoption.

Your Committee was most pleased with the high degree of efficiency and understanding which mark the administration of all branches of the Department of Veterans Affairs. The Committee commends the Minister, the Deputy Minister and the Officials of the Department for their co-operation and assistance and for the manner in which they supplied detailed answers to questions posed by members of the Committee.

Members of your Committee having had a very informative visit to Ste. Anne de Bellevue Hospital, hope to organize a similar visit to Sunnybrook Hospital, in Toronto at a later date.

Your Committee would greatly appreciate having the opportunity of examining the Wood's Report on the Work and Organization of the Canadian Pension Commission after the said Report has been tabled in the House, as well as being granted the authority to study the general problem of pension rates.

A copy of the relevant Minutes of Proceedings and Evidence (*Issues Nos. 5 to 9 inclusive*) is appended.
