Sir Arthur Currie, G.C.M.G., K.C.B.  
McGill University,  
CITY.

Dear Sir Arthur:-

I enclose herewith description of house at 128 McTavish Street, at present used I believe as a home for Crippled Soldiers. Apparently the price of \$35,000.00 is a very low one as the assessed value appears to be \$46,000.00.

With reference to the house - 782 University Street - I understand that at present this belongs to the Estate J. Currie, and that possibly an offer of \$20,000.00 might be taken.

Some of us looked this house over last year with the idea of using it as a Students' residence. The reason we did not take it I believe was because it did not afford sufficient accommodation. I think Jeakins went over the house, and perhaps could tell you something about it.

Yours very truly,

*George C. McDonald*
