Honourable James C. Tory,
Lieutenant-Governor of Nova Scotia,
Halifax, N. S.

My dear Sir:-

I thank your Honour very much indeed for the kind patronage which you are extending to the Last Post Fund. It really is doing very good work indeed and is well worthy of all the assistance it can get.

After several attempts we seem to have got off to a start in Nova Scotia and I hope you will keep a kindly eye on the organization. A word of sympathy and encouragement often helps a great deal.

I hope that your term of office will be a happy one for you and Mrs. Tory.

With all good wishes, I am,

Yours faithfully,
