Dear Sir:-

I beg to acknowledge receipt of your letter of March 20th in reference to the prize of \$100,000 offered by Lord Atholstan for a medicinal cure for cancer.

The decision of the award has been left by Lord Atholstan to the Royal College of Physicians and Surgeons, London, and it will be necessary for you to submit your cure to them. You must first satisfy a recognized medical faculty or a leading medical society in your own country that there is some scientific basis to justify experimental investigation of the professed cure; and that any cases successfully treated were, in fact, cases of cancer.

If you will write to the Royal College of Physicians and Surgeons they will give you all further particulars necessary.

Yours faithfully,

Principal.
