

"The Perfection Electric Washer"

The very thing needed for war time, conserving of time, energy and money.

The Perfection Electric Washer will turn Wash Day into Wash Hour, take ALL the work out of washing, disposing of the extra help usual on that occasion.

The saving—considering the cost of electric current at three to five cents per washing, fifty two times a year against the cost of the usual help—will pay for the investment in less than one year with one hundred per cent dividends in the years to come, besides the added comfort of having your washing done to your complete satisfaction and under personal supervision.

May we mail you full particulars.
