We purpose selling only to *really responsible* merchants. As the matter now
stands, a substantial tax is levied on responsible people to liquidate debts con-
tracted by irresponsible traders. To obviate this, and effect the foregoing pur-
pose, our prices will be at such rates as will give our customers a substantial
advantage. Our Stock is all new, and selected from the leading styles in the
English, American and Canadian markets.**C. MACDONALD & CO.,****37 ST. PETER STREET,****MONTREAL.**

MONTREAL.**Mercantile Summary.**— This is the season of the year when vena-
rable hens enter their second childhood, and
are broiled for spring chickens.— A gentleman writing from California says
that he is so altered since he left home that his
"oldest creditor would not know him."— A despatch from Brantford, the 7th inst.,
says:—Two Americans were here yesterday
from the United States looking for a site to
start an organ finishing factory.— "Always pay as you go," said an old
gentleman to his nephew. "But, uncle, suppose
I haven't anything to pay with?" "Then
don't go."— The Anthracite coal discovered at Point
Lepreaux, N.B., is said to be quite equal to that
of the Pennsylvania mines. Recent satisfactory
experiments were made with it in St. John.— A sheet of paper dipped in chloride of
cobalt when the weather is to be dry and pleas-
ant will become blue. When wet weather
approaches it will turn pink. The barometer
flowers of France are thus manufactured.
