ON THE WATER WAGON

But the indications point an Aid to
Thirst.

CHATHAM, Ont., July 28.—(Special).
"Chatham's water wagons are no
longer safe for would-be ab-
stainers. This morning temperance
people were horrified to note that one
of the corporation sprinklers carried
advertisements for a well known brew-
ing company. With the civic slogan
above, the sides and ends of the cart
now hold the following classic legend:
"See Chatham first, and 'Drink Car-
lines' Canadian Club Lager." Tem-
perance people want to know if the
chairman of the board of works is re-
ceiving remuneration for the adver-
tising space taken on the wagon by
the brewing company.
