Want to Dam Ottawa River.

Ottawa, Sept. 15.—Representatives of power interests on the Hull side of Ottawa interviewed the premier and maintained their right to construct a dam on the Ottawa River, under authority from the provincial government. They argued that the ownership of the world.

They argued that the ownership of the of the river is vested in the provincial and not in the Dominion. The courts will probably have to decide the outside.

They argued that the ownership of the bed of the river is vested in the provincial and not in the Dominion. The courts will probably have to decide the outside.
