It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med.
