STREET CAR COMPANY BOUNCED 75,000; . CONEY ISLAND CROWD WOULDN'T PAY UP

Riotous Sabbath at New York's Famous Summer Resort—Street Railway Men and Police Battle and Militia May Be Called Out.

New York, Aug. 13. - The disturb-Buces on the Coney Island surface cars and elevated trains that Deputy Police Comissioner O'Keefe and the Brooklyn police looked forward to yesterday because of Justice Gaynor's statement of Saturday, that the Brooklyn Rapid Transit Company did not have a right to demand a double fare to the Island, took place on schedule time. They last- composed of representatives of all ed from early morning until early to- classes from the princes downward. The police took an active hand understood to be his purpose to surand a motorman or two, for not moving and Cashier Hering. the cars. Blocking the highways was

the charge. At 12:40 o'clock this morning police activity took on a still more active form, when cars coming from the Island were halted at Avenue F and Gravesend avenue, and the conductors started in to collect the second fare. Inspector Donald Grant, Deputy Police Commission O'Keefe and several began to drag them off.

Threw Off the Inspectors. Deputy Commissioner O'Keefe gave orders to the policemen to throw the in- forming the firm of Bullis & Millard. spectors off the car, and they did so in a jiffy. The car then propoded after the police had ordered the motorman to go ahead. He did not go far, however. Just 150 yards away, Superintendent Dow F. Smith, who had been arrested early in the evening, and was bailed out, was seated in his automobile at the side of the track. The motorman stopped when his car got opposite Superintendent Smith, and the inspectors that had been thrown off by the police hustled up, and tossed women, children

and men off in a very lively manner. Commissioner O'Keefe and the police had been devoting their attention to the second car, and did not hear what was going on in the first, until the ir enectors had it about emptied Th police ran up, but the work had bee completed, and the motorman ha started his car toward Brooklyn in turry. The police managed to get a hands on the second car and kept for pectors off.

Gradually the wearied crowds and less resistance, and the belat (Continued on Page Eight.)
