BANISH PIMPLES AND ERUPTIONS

Everyone Needs a Tonic in the Spring to Build Up the Blood.

if you want new health and strength in the spring you must build up your blood with a tonic medicine. After the long indoor winter months are past most people feel depressed and easily tired. This means that the blood is impure and watery. That is what causes pimples and unsightly eruptions. To this same condition are due attacks of rheumatism, the sharp stabbing pains of neuralgia, poor appetite, frequent headaches and a desire to avoid exertion. These troubles can all be banished by the use of Dr. Williams' Pink Pills. Every dose of this medicine makes new, rich blood which drives out impurities, stimulates every organ, strengthens every nerve and brives a fealling of new health and strength in our colleges made upon the word of God may shake the foundation of law and order, and bring upon the word of God may shake the foundation of law and order, and bring upon the word of God may shake the foundation of law and order, and bring upon the word of God may shake the foundation of law and order, and bring upon the word of God may shake the foundation of law and order, and bring upon the word of daw are strained upon the word of law law to close our Bible depots and cease the annual output of millions of copies of the Book, and have our missionary efforts all thru the world paralyzed for want of that word of the Living God, which is the basis of all our Christian work.

Preachers of faith which both intellect and conscience reject. Preachers delude themselves and their tearness with ingenious sopalistries such as in the market would incur a charge of obtaining money under false pretences. And yet, amid this mephitic atmosphere of falsehood, we expect that levalty of soul, and truth in the inward parts, and simplicity of character shall flourish.
