ment by default was signed by D'Arcy Hinds in an action for foreclosure by Henry Winnett against S. Hill of Birmingham, the Monarch Realty and Construction Co., E. M. Hill, H. M. Deeth, E. A. Simpson, G. O. Cawker, and T. H. Hancock. The claim against Mr. Hill was for \$67,305.54. It was held by Mr. Justice Latch-ford that an action might be entered without leave from the court in the action of Robert Falconer against C. E. and Katherine Ziegler on a mort-gage under which it is alleged that there is principal accruing due to the extent of \$93,333.33 on the hotel pro-perty at the corner of King and Spa-dina avenue. In December, 1912, a mortgage was issued for \$100,000, and, tho the interest on the mortgage had been paid up to March 16th last, it is alleged that there had been no pay-ment on the principal since July 16, 1915. The arrears of instalments of the principal are said to amount to \$2,666.64, and taxes are said to be in arrears to the extent of \$1,064.70. Owing to the present depressed state of the market it is thought that the property could not be sold now for more than the amount of the mort-gage. Henry Winnett against S. Hill
