HERO OF THE SOMME IN CITY

Pte. J. Silver of Dalhousie Lost Leg in The Big Drive

Private J. Silver, a hero of the Somme, arrived in the city this morning on the Montreal train and later left for his home. He is on crutches, having lost his right leg during the fighting on the Somme. In company with other Canadian soldiers he arrived in Quebec two weeks ago and later was sent to Toronto. A few days ago he was given a short furlough to visit his folks in Dalhousie and while en route there failed to make the right train connections and as a result arrived here today.

In conversation with a representative of the Times, he said he was with his battalion on September 8, when they were in a terrific drive on the Somme. During the engagement a shell burst close to him and inflicted such serious wounds on his right leg that amputation was necessary. He did not seem at all discouraged and smilingly remarked that he intended to return and get on an artificial limb as soon as his furlough expired.

YOUNG SOLDIER IS IN HOSPITAL

Pte. L. W. Andrews of Charles Street Wounded in Chest

Mr. and Mrs. William Andrews, 32 Charles street, received official word this morning from Ottawa notifying them that their seventeen-year-old son, Pte. Leonard William Andrews, was officially reported admitted to No. 18 Field Ambulance Hospital on May 20, with gunshot wound in the chest perforating. Private Andrews is probably one of the youngest soldiers to have signed the roll of honor in this city. He went overseas with a well known New Brunswick battalion which was recruited in such a short period in this province and upon his arrival in England was drafted into another regiment with which he proceeded to the trenches. A letter was received from him under date of May 12 by his mother. At the time of writing he was well and was then going to the field of battle. Eight days later he was hit. Previous to joining, he worked in the Atlantic Sugar Refinery in this city. He was a bright young boy and made many friends who will hope for a speedy recovery.

Another and only brother, Gunner Ernest Andrews, went across with a New Brunswick battery. He has suffered from gas, but recently wrote home and said that he was all right again and able to be back in action.

One arrest was made yesterday. It is said that Riley was a boarder in the house. The ring is valued at about \$30. Both articles were pawned and later recovered. Riley maintains that he was made a present of both the ring and the razor. He was before the court this morning and remanded to jail.

REV. W. M. FIELD DEAD

Was Brother-in-law of R. Duncan Smith of St. John

R. Duncan Smith, of 163 King street east, received a telegram this morning informing him that his brother-in-law, Rev. W. M. Field, of Carleton Place, Ontario, had died as the result of blood poisoning. Rev. Mr. Field was in charge of a Baptist parsonage in Carleton, and is well known throughout the province. Blood poisoning resulted from a boil on his neck becoming infected.

Rev. Mr. Field had been in the ministry for many years and was formerly stationed in Fyron, P. E. I. Last year he left Andover and went to Carleton, where he had labored since with a zeal which won the hearts of his congregation and the respect and esteem of a wide circle of friends.

Besides his wife, who was formerly Miss Hewitt of Montserrat, P. E. I., he is survived by two sons and one daughter. One son, Elsworth, recently joined a siege battery unit stationed in Halifax. His daughter, Miss Letta, is a trained nurse and is practising in this city. It is understood that the body will be taken to Montague for burial.

WANT THE SUBURBAN TO LEAVE EARLIER

Night Train From Here On I. C. R. at 10.20 Instead of 11 o'clock

An appeal for a change in the hour of departure of the late I. C. R. suburban train is being made to the management of the government railway systems. Petitions have been circulated at the various stations between St. John and Hampton and many signatures have been secured.

At present the late train leaves at eleven o'clock, arriving at Hampton about an hour later. This hour was fixed for the benefit of suburbanites who wished to spend the evening in the city and formerly was much used by the theatre goers and others who were in the city for social purposes.

Now that all the theatres have two shows in the evening and it is possible to get out at a much earlier hour, some of those whose business compels them to be in the city on some evenings for the sake of getting to bed earlier when they do reach their suburban homes.

While the movement has not received the unanimous support of the I. C. R. reasons, no organized opposition has been made so far by those who do not approve of the proposed change.

The petitions of those who want the earlier hour have been forwarded to Moncton and it is expected that a conference will be arranged between a committee of the suburbanites and passenger officials to discuss the matter.

CORPORAL H. B. KING IS WOUNDED

Mrs. Harry B. King of 83 Chapel street, received a telegram this morning informing her that her husband, Corporal Harry B. King, had been admitted to No. 3 Canadian General Hospital in Boulogne on May 30, suffering from a gunshot wound in the hand.

A short time ago she received a telegram telling her that he had been slightly wounded, but was able to remain on service. Since then she has had no particulars and thinks that perhaps the wound inflicted required attention. Prior to leaving St. John he was employed in Jordan's mill.

THE KILIES

There is very little stir in military circles at the present time. An advance party of fifty or 100 men from the 28th will proceed to Valcartier camp for the purpose of making the preparatory arrangements previous to the arrival of the whole battalion. The announcement that the regiment will proceed to Valcartier for the summer has caused no little talk among military men. The general understanding was that the battalion would proceed directly overseas and the latest announcement has caused disappointment to many of those who were planning on getting across to France in the near future.

Four officers are assisting Lt.-Col. A. Guthrie in his whirlwind campaign for recruits throughout the New England states.

Two recruits were secured in the city yesterday for the Kiltie battalion by Pte. Charles Garnet and Pte. Hamilton, who have been actively engaged here for some time. One man who signed up was from the far away southern states and gave his birth place as Georgia. The other recruit was Joseph McEachern, of Mount Stewart, P. E. Island.
