- A.153 I believe it was the Twenty-Seventh of February.
- Q.154 Yes. It was the last week in February. Do you recall the day, was it Monday, Tuesday, Wednesday, Thursday, Friday or Saturday?
- A.155 It was Wednesday, I believe.
- Q.155 Can you say definitely it was Wednesday?
- A.155 It was I think, because we came back the following day and had a 72-hour pass which carried through until Monday.
- Q.156 So you are quite definite it was a Wednesday?
- A.156 I'm pretty sure it was a Wednesday.
- Q.157 You are pretty positive it was a Wednesday and that it was the Twenty-Seventh?
- A.157 I'm not positive, no. It was either Wednesday or Thursday.
- JA: To be fair to the witness, give him a calendar.
- Def Offr: I've just asked for a calendar.

The Defending Officer continues with the cross-examination of the witness:

- Q.158 Now, on that date then, Wednesday, the Twenty-Seventh or Thursday the Twenty-Eighth, you went to Captain Jessop as you say, with Tengum, in the orderly room.
- A.158 Yes. Somebody came and told me that the jeep that I had been asking for was fixed and I went to see if somebody knew something about it.
- Q.159 And it was the same day you went to Gronigen that you saw Captain Jessop?
- A.159 Yes sir.
- Q.160 And having seen him in the orderly room, you asked him for the jeep to take these wedding gifts down to Gronigen?
- A.160 Yes sir.
- The witness is handed a calendar.
- Q.161 Now, having seen a calendar, do you feel confident that it was Wednesday, the Twenty-Seventh?
- A.161 Well, it was either definitely on the Wednesday or Thursday, I can't tell you.
- Q.162 All right then. That's good enough for me. Now then, you went over to get Tengum after you saw Captain Jessop?
- A.162 Yes sir.
- Q.163 And then Tengum came back?
- A.163 Yes sir.
- Q.164 And it was Tengum and yourself and Captain Jessop who were then all in this conversation?
- A.164 Yes sir.
- Q.165 Before that had Captain Jessop said anything to you about selling tires?
- A.165 He might have. He - I think he mentioned something about the price of tires in Gronigen.
- Q.166 Before you saw Tengum?
- A.166 Yes sir.
- Q.167 And then you got Tengum. Now, then, when did you pick up the work ticket?
- A.167 Well, Tengum and I went over to the jeep and he went to his quarters and I got my things packed and I went over to Tengum and he said go and get that signed and gave me the work ticket.
