Secret Session Proves No Se- Mayor Morley Interviews Precret-Recriminations Lead mier McBride and Gets a Promise of Consideration to Accusations

THE RESERVE LANDS

The monotony of council in session was rudely shocked Friday night when the aldermanic body of Victoria was treated to a series of verbal pyrotech-nics by two of its number, to wit, Ald. Moresby and Humber. The heat en-gendered was so intense that both com-tore the present that between the second to the songhees reserve, and was assured by the premier that be-fore apything was done the city would batants were speedily reduced to sim- fore anything was done the city would mering ashes, and the mayor, with a be thoroughly consulted on every point. mering asnes, and the imayor, with a be thoroughly constitue on every point. friendly word, had the temerity to ap-proach the combustible factionists and succeeded in silencing, if not appeasing mayor and Alderman Langley, who accompanied him to interview the pre them.

Alderman Moresby was the aggrieved mier. The mayor stated that he had Alderman Moresby was the aggrieved mier. The mayor stated that he had party, but his accusations against the other divided the honors of that posi-tion. The best that was 'contemptible active of the premier for the coron-ation. First of all he wrote a letter calling the attention of the premier to the situation in re-grow the outset of hostilities that both men were laboring under the terrible disability of an inadequate vocabul-ary. lines and also in respect of the propos ary.

To Alderman Moresby belongs the ed bridge across the arm. distinction of bringing about the first At the interview, as related by Al-"scene" in the council for the year 1911. derman Langley, the premier promised Rising to a question of privilege with that nothing would be done in regard copies of the Times and the Colonist to the disposal of the lands of the re-in his hand, he said there was somein his hand, he said there was some serve without hist consulting with the thing he desired to say in regard to city, and that as soon as Mr. Todd, statements that had appeared in the the landscape artist of Montreal, whose press in connection with the secret advice it was proposed to have in re-
