CHAPTER II. HOW JUSTICE WAS DISMISSED. There was a pause—a dreadful pause.

"What did you say, young man?" he said at last, in a cold, hard voice.

"I said that you ought to be ashamed of yourself," answered his nephew, standing his ground bravely.

"Oh! Now will you be so kind as to explain exactly why you said that, and if you mean it?"

"I mean it," answered his nephew, speaking in a full, strong voice.

"All right; if you mean it, you shall pay me back for the money I have lost for you."

"I'll pay you," said the nephew, "but you shall pay me back for the money I have lost for you."

"I'll pay you," said the nephew, "but you shall pay me back for the money I have lost for you."

Good News!

No one who is willing to adopt the right course, need be long afflicted with boils, carbuncles, pimples, or other cutaneous eruptions.

These are the results of Nature's efforts to expel poisonous and effete matter from the blood.

There is nothing in the blood, but the system is holding back through the skin of impurities which it was the legitimate work of the liver and kidneys to remove.

To require these organs to labor properly, Ayer's Sarsaparilla is the medicine required. Trust no other blood-purifier can compare with it, thousands testify who have gained from its use.

For some years I was afflicted with a skin disease that did not yield to any remedy until a friend advised me to try Ayer's Sarsaparilla.

With the use of this medicine the complaint disappeared. It is my belief that no other blood medicine could have effected so rapid and complete a cure.

My face, for years, was covered with pimples and humors, for which I could find no remedy until I began to take Ayer's Sarsaparilla. Three bottles of this great blood medicine effected a thorough cure.

I confidently recommend it to all suffering from similar troubles. M. Parker, Concord, Vt.

Freedom from the tyranny of depraved blood by the use of this medicine.
