The gaunt, feathered bjped that strut-ted that fail about the Garters' yard was far from appearing like a saint, but he gained the tile, nevertheless. He was one of a brood of twelve—the only one to anrive a sickly assaon of turkey ills—and great expectations were centred upon him. This isst would not have been so strange had there been much of him; but on the contrary, he was literally skin and bones. But for all that he turned out a most beneficent bird.

you - The temperance cause is a divancing among British soldiers in India. Lord Roberts says he has under his command 14500 British soldiers piedged to total abstinnec. - Baldness is otten preceded or ac-companied by grayness of the hair. To prevent both baldness and grayness, use Hall's Hair Renewer, an honest remedy.
