PRAYERFUL EFFORT. (Good Housekeeping.)

Frances, aged four, is not always as good as her amiable little friend Dorothy and Dorothy is frequently held up as a model by Frances' mamma. Always in her prayers Frances asks "dear God" to help her to be a good girl on the morrow, but on one night after having been sorely tried by hearing a recital of Dorothy's virtues, she said, "And dear God, please make Dorothy a naughty little girl!"

THIS SHOULD MAKE HER QUAIL (Hamilton Herald.)

That Ottawa lady who was fined \$30 and costs because she accepted some partridges as a gift from a friend, not knowing that it was illegal to have them in her possession, will be inclined to doubt the truth of the old adage that a bird in the hand is worth two in the bush.

A VALUABLE COLT LOST BY R. H. EDWARDS

Horsemen throughout the province will learn with much regret that H. Edwards has lost his richly colored Bluenose Toller by the name of stallion Todd, 2.14, dam Lassie, (dam of Simmassie, 2.05). The colt was foaled at the Johnson Farm, Fankapog, Mass., near Boston, in August, and was shipped to Halifax last Saturday on the steamer A. Ferry. The colt got knocked about in the box in the rough weather, after being brought ashore at Halifax, collapsed, and had to be placed on a wagon to be taken to the veterinarian Dr. McFarlane, who found the animal had been struck with paralysis. Everything was done for the valuable colt, but without avail, and he died yesterday morning.

This colt was looked upon with such favor by American horsemen that a couple of months ago Mr. Edwards wanted an offer of \$500 for him and he had a standing offer from G. W. Leavitt if he ever wanted to sell him. As Todd colts are in great demand, with such breeding and qualities as he possessed, he was looked upon as likely to have a great sale and be a valuable stock animal.

death is not only a loss to Mr. Edwards but to the Province.—Academy Recorder, April 21.

In The Judge's Stand. The said that an owners' and drivers' association has been formed. The association is expected to meet late in the summer or early in the fall. It is possibly to meet at Fredericton at the time of the September meet. It may be taken at the same time have the various managers of Maritime tracks meet to arrange the circuit.

ROWING CLUBS BREAK FROM THE M.P.A.A.

Halifax, April 22—At a meeting of the rowing associations held last night, it was decided to break away from the M. P. A. A. and to form an association exclusively for rowing clubs of the Maritime Provinces. This action was taken owing to the unsatisfactory conditions of the M. P. A. A. at the present time. The name of the new association is not yet given, although it is intently decided that an association take jurisdiction over rowing in the provinces will be formed. TO REVIVE BICYCLING IN ONTARIO

A big effort is to be made to revive bicycle track racing in Ontario. It is not so long ago that this sport reigned supreme, but for some reason which cannot be satisfactorily explained, it no longer appeals to the public. The gentlemen identified with the sport, had the manufacture of the cycle believe that all that is needed to restore it to popular favor is to conduct first-class meets for which valuable prizes will be given. There are many things to be carefully considered before the idea can be successfully carried out. The most important is the selection of a suitable track for the races. One of the local clubs will be asked to conduct the races under its name and management. The club will be financially assisted by the bicycle manufacturers. It is expected that C. W. will give the necessary sanction that the races will be for the national championships.—Toronto World.

Nothing Doing Here. It is to be hoped that the Ontario people will be more successful than the bicycle enthusiasts of New Brunswick in an effort to revive wheel-racing. George F. Barrett, this city, made efforts last season to hold a road race for the magnificent trophy offered several years ago by the Dunlop Tire Company. Sufficient interest could not be aroused, however, and the race fell through.

Packers of Tiger Indo-Ceylon Teas.

Dear Sir:—Our choice at home of Tiger Tea is grade—at—c. per lb. It is true that the tiny dried, whitish buds in Tiger Tea give it that fine delicate flavor? We used to drink China Tea years ago, but prefer the Tiger Tea in 1-lb. packets, as it looks clearer, and because Tiger Teas are prepared and packed by machinery instead of by the nasty, sweaty hand-treatment as in China. The pretty blue and white label is enough to make one wish to taste a cup of Tiger Tea. The tiger paws on the label show how strong the Tiger Tea is.

I am very glad to send you this letter about Tiger Tea, and if you wish I will send you a sketch of a tiger which would perhaps be fiercer than the tiger on your label. The rich cherry color of Tiger Tea pleases everyone, and I hope that you will always keep the quality of it as good as it is now. I enclose the 12 cards required, and tell you truly this is my own handwriting. Every Canadian should buy a 1-lb. packet of Tiger Tea, for, besides the good quality we know that the work of blending, labeling, boxing, packing, etc., is all done by Canadians in St. John.

My age is my last school teacher was Hoping that this letter will win a Tiger Tea prize. I am, respectfully yours,
