APPROPRIATION BILL No. 9, 1966

ANSWERS TO QUESTIONS ASKED BY HON.
MR. BROOKS IN DEBATE ON MOTION FOR
SECOND READING, NOVEMBER 29, 1966

1. Question

The Town of Oromocto is situated near Camp Gagetown. I am wondering whether that amount has become a yearly grant from the Department of National Defence to that town.

Answer

The amount of \$1,750,000.00 is provided in the Estimates (Defence Services) for 1966-67 to cover an Operating Grant to the Town of Oromocto, New Brunswick, in lieu of Municipal Taxes. The amount represents the difference between the total estimated expenditures for the year and revenue received from all other sources, e.g., Provincial subsidies, Municipal and School, Municipal taxes, rents, fines, licences, etc. The Grant is made yearly but varies from year to year, depending on the total expenditures and revenues of the Town.

2. Question

Does item 45—Mutual Aid—have anything to do with the cost of moving our air force from France into Germany?

Answer

No.

3. Question

What will become of the buildings and the other military setup at Marville and other Canadian stations?

Answer

Under NATO arrangements and the bilateral agreement between Canada and France, the buildings and permanent fixtures revert to France as the host country. Canada has the right to remove or dispose of movable equipment, materials, etc., and prefabricated structures paid for by Canada.

4. Question

With respect to item 1 under National Gallery of Canada, as to administration, operation and maintenance, including the payment of \$500,000 to the National Gallery Purchase Account for the purpose of acquiring works of art, could a list be furnished showing some of the items that have been acquired by the National Gallery of Canada?
