THE GLEANER.

ir risk, Address, The Gleaner, Fredericton, N. B. TRI-WEEKLY EDITION.

THURSDAY, MAY 27, 1886.

are to be given by parliament in aid of certain railways. Following are the New

Brunswick roads subsidized:-

subsidies to New Brunswick roads they would do in the west—look for Bellars Granted to Railway Companies. the Albert railway making a total of have partial employment would do as

sates who have falled would something to keep them busy the rest of the subsidy to the Normern and the time; it those who have falled would not heretofore subsidized and to provide find New Brunswick just as good a place for an extension to deep water at the courage and try again, they would from Wood Mountain, Manitoba, to Qu'Appelle, and thence to the junction of the Manitoba and Northwestern Rail-Chatham. The ten miles on the Caraquet setting sun. railway are from Lower Caraquet to

Rockies. Only on the Pacific slope is the western fever lacking, and that is because there is no place farther west to go part of the time and nothing for the dollars.

These totals make additional railway grants of nearly two and a half million dollars.

manners—such manners, for instance, as to. A close examination into the causes remainder. We have no desire to do him those of the late Mr Charles Dabney, so which induces the majority of persons to an injustice. When we found that we

riority in a point like this they find that the fruits of industry give scene which occurred while some opposi do better in a new field than at home. We shall look for Hansard with intere

\$334,400 they were in Montana-take the first In addition to this \$15,000 is loaned to honest job that offered; if those who ADDITIONAL BAILWAY SUBSIDIES.

the Press that it is just as well to keep available to the proposed road from Moncton and Buctouche and from Fredericton to Prince William, possibly also for the road from Newcastle to Douglastown. This leaves the Tobique river railway the only one without a local subsidy and a subsidy of \$3,000 a mile to put it on a footing with the other roads would make a call upon the local treasury for \$84.000.

On the general principle of subsidizing railways there is this to be said, that the received and the proposition that Mr. Blake's motion to put Mr. Jamieson's Scott act enforcement bill upon the government lotices was a motion of want of confi-way intervening between the termini of way intervening between the termini of way intervening between the termini of way intervening between the termini of the proposition that Mr. Blake's motion to put Mr. Jamieson's Scott act enforcement bill upon the government. mistake to say as some do that these wholesale subsidy schemes give evidence of liberality on the part of the government. It may be simply evidence of recklessness and contemplated corruption. The government gives nothing. It has nothing to give. The money will have to pay the interest on it. By the time the loan for the proposed subsidies to the New Brunswick roads shall have been repaid the outlay will be equivalent to nearly \$1,500,000, for it is right to reckon compound interest on the proposed abroad interest of the support of the proposed subsidies to the New Brunswick roads shall have been repaid the outlay will be equivalent to nearly \$1,500,000, for it is right to reckon compound interest on the proposed abroad distance on the very first opportunity.

Her to R. F. Sect. Markes to dead and a varies at Chatham, a subsidy of \$3,200 per mile, or \$32,000 in all; to the Caraquet railway for ten miles from Lower Caraquet to Shippegan, \$3,200 per mile, or \$32,000; Lake Eric, Essex and Detroit River company for 37 miles, from Windsor to Learnington, and the people will have been repaid the outlay will be equivalent to nearly \$1,500,000, for it is right to reckon compound abroad with the principal observation made by Mr. Foster, and yet pretend to report his speech. Neither does it justify the Press in being guilty of the unjournalistic idea of guessing at the authorship of The Glenner's 18,400; Thunder Bay colonization company, 56 miles, \$179,200; Parry Sound colonization railway, \$125,000; a railway of the miles from Lower say. The Caraquet railway for ten miles from Lower say. Say. The Caraquet railway for ten miles from Lower say. The Caraquet railway for ten miles from Lower say. The Caraquet robust of spread a net for the ex-apostle. Neither does it justify the Press in being guilty of the unjournalistic idea of guessing at the authorship of The Glenner's 18,400; Thunder Bay colonization company, 56 miles, from New Glasgow to Montcalm, Q. \$75,600; from Hereford to the Interest of the Say. The Caraquet rail nence? Where does he stand in comparison with such men as Tilley, Burpee miles, \$89,600; a railway from Frederictor for the first wild in N. B. 29 miles, \$70,400 miles, \$7

me better than the best English voices, being equally clear and mellow, with number of persons who would probably But we do most emphatically protest against an attempt to identify the such the remains were interred near those of more positive sweetness, and far more do better in the west than they are doing against an attempt to identify the such that they are do range of expression. But such voices here, but the reason is that they would cess of his schemes with the success of at St. Boniface nere, but the reason is that they would be the temperance cause. Foster at present defining there that their social position, the temperance cause. Foster at present do not used their personal pride, or their personal pride, or the fact that is the bond slave of Sir John Macdonald. to be under mob rule. Between the same close attention given to the matter or their personal pride, or the fact that is the bond slave of Sir John Macdonald. to be under mob rule. Between thirty on this side of the Atlantic. An English they can get some sort of a living with He is no longer a responsible agent; he is on this side of the Atlantic. An English they can get some sort of a living with mother, in the well bred classes, is as replicities, about her doubter's way of the solution of the well bred classes, is as replicities, about her doubter's way of the policy seemed powerless. solicitous about her daughter's way of doing here. Perhaps to say that laziness no longer trusted except by those who

schools, this matter is being more and more brought to attention. Remarking, a few years since, in a large family, how much better the youngest daughter used her voice than any of her sisters, I found with surprise that much of the difference with surprise that much of the difference where the texts are not as the public of the public o HEARD FROM AT LAST.

We had thought of advertising for and lies upside down, badly smashed, was due to the pains taken in the public schools of the rural city where she lived —schools which she alone had attended. If we can once see the public schools with in order that they may live, and
