

REASONS FOR INSURING
IN THE
ÆTNA
LIFE INSURANCE COMP'Y.

IT IS SAFE:
Has over \$15,000,000 safely invested.
(The large surplus above all liabilities (estimating liabilities on outstanding Policies by the Massachusetts standard, the most rigid test).
Has ever confined its business entirely to Life and Endowment Insurance—is so limited by charter.

IS ISSUING OVER 8,000 NEW POLICIES ANNUALLY.

Has an Annual Revenue of over \$6,000,000.

IT IS PROMPT,

Prompt in the payment of claims. Has paid about SIX MILLION DOLLARS in Death Claims and Matured Endowments, and has in reserve ample funds, safely invested, to meet the future claims of its 600,000 members, with over \$2,500,000 surplus by New York standard.

IT IS ESTABLISHED;

Has been well tested by time and experience; thoroughly established; and its ability to furnish the best security at lowest price is not a matter of experiment. I point to the past as the best evidence of and guarantee for the ability and integrity of its management in the future.

LOW CASH RATES, CASH POLICIES ANNUAL CASH DIVIDENDS.

CONDITIONS.
Non-Forfeiting. All participating Policies on the new Cash Rates are Non-Forfeiting after two years. Renewable Term and Non-participating Policies are non-forfeiting after three years.

INCONTINGENT. After these participating Policies become non-forfeiting, no matter how many conditions are violated, what is due by the insured, or where he goes, they are good for the CASH VALUE AT MATURITY.

W. BELL & CO.,
GUELPH, ONT.,
RECEIVED EVERY PRIZE FOR ORGANS & MELODEONS

Every instrument fully warranted for five years. Send for catalogue, containing fifty different styles of instruments.

This grand success, in addition to last year's record, has secured a SILVER MEDAL, THREE DIPLOMAS, AND 12 FIRST PRIZES. Proves that our Instruments, in the opinion of competent judges, are incomparably superior to all others. Sole Proprietors and Manufacturers of the **ORGANETTE**. Acknowledged Scribner's Patent Qualifying Tubes, containing by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers, from the fact that at Guelph they wish to be in competition, thus acknowledging their inability to compete with them.

W. BELL & CO. GUELPH.

JOHN JACKSON & CO.,

Successors to McLeod, Wood, & Co.,

ORGAN AND MELODEON MANUFACTURERS.

Having now been established in the manufacture of Musical Instruments for several years we must acknowledge our appreciation of the kindness and justice of the people, which has tended to prosper and increase our business and reputation far above our expectation. We supply Organs and Melodeons made and finished in the most complete and perfect manner, using the best material possible to be obtained, employing only first-class workmen, and having each department superintended by men of experience.

Our trade mark, "Crescent Organ," is placed upon the nameboard or key slip of all Organs manufactured by us, and, having been registered for our sole use, all parties are cautioned not to infringe on the said trade-mark.

We claim special attention to our Vox Celeste Organs, No. 27 and No. 34. The Vox Celeste Organ was first introduced in Canada by us in 1869, in a 5 reed Organ, which took the first prize at the Provincial Ex. held that year in London. We have since applied it successfully to our single and double reed Organs, making our "Celeste Organs" the most popular instrument now before the Canadian public.

We manufacture the most popular styles, and introduce all the latest improvements.

All Instruments Fully Warranted for Five Years.
