

An Act to confirm and establish the Road Allowances between Lots six and seven, and twelve and thirteen, from the River Thames to the line between the tenth and eleventh concessions of the Township of Howard, in the County of Kent.

WHEREAS the original posts planted in the allowances for roads Preamble,
between lots six and seven and twelve and thirteen, in the Township of Howard, in the County of Kent, have been lost, and great doubts exist as to the true position of these lines; And whereas the
5 roads on these lines, as now travelled, were laid out and surveyed by Richard Parr and Albert Pellew Salter, Esquires, Deputy Provincial Surveyors, under the orders of the Council of the said Township, and could not be altered without great loss and inconvenience to the inhabitants settled along the same; and it is therefore expedient to establish the said
10 roads, as now travelled, upon the lines laid out by Messrs. Salter and Parr aforesaid; Therefore Her Majesty, &c., enacts as follows:

- I. The road allowance between lots numbers six and seven, in the said Township, as laid out by Albert Pellew Salter, Esquire, Deputy Provincial Surveyor, in the year one thousand eight hundred and fifty,
15 from the River Thames to the eleventh concession inclusive, and upon which the road is now mostly made and travelled, is hereby confirmed and established as the true boundary between the said lots from the River Thames to the eleventh concession inclusive, and shall be held to have been so from the time when it was so laid out. Line between lots six and seven confirmed.
- 20 II. The side line or allowance for road between lots numbers twelve and thirteen, as surveyed and laid out in part by Richard Parr, Deputy Provincial Surveyor, in the year one thousand eight hundred and forty-six, and completed by Albert Pellew Salter, Esquire, Deputy Provincial Surveyor, in the year one thousand eight hundred and fifty, from the
25 River Thames to the eleventh concession inclusive, and upon which the road is now mostly made and travelled, is hereby confirmed and established as the true boundary between the said lots, from the River Thames to the eleventh concession inclusive, and shall be held to have been so from the time it was laid out. Line between lots twelve and thirteen established.
- 30 III. The By-law, number thirteen, passed by the Council of the said Township on the thirtieth day of August, 1856, and in which the survey of the said lines is particularly described, shall be and is hereby confirmed and declared valid. A certain By-law of the Township confirmed.
