The Kalamazoo

Loose Leaf Binder
has exceptional Accessibility

There is no comparison between the KALAMAZOO and any other binder. It has overcome practically every objection that has ever been offered against the loose leaf idea.

Its capacity is greater than any other, and it requires no padding with unnecessary sheets. The writing surface is firm and flat.

Sheets are easily inserted, removed, and kept in perfect alignment.

There are no exposed metal parts to injure the desk.

Don't remain dissatisfied with loose leaf systems. Let us show you what the KALAMAZOO binder will do.

Booklet "C-1" describes it fully. It is yours for the asking.
