**Mermaids Back In
Action Next Week**

The next six weeks will be busy ones for the UNB Mermaids as they hit the home stretch of the 1966 swimming season. This weekend sees the Mermaids in Halifax where they will meet the Dalhousie Tigerettes and the Mount Allison Goldfish in an exhibition contest on Friday morning. The Mermaids split home-and-home decisions with the Goldfish earlier this year, but haven't met the Dal squad since the intercollegiate meet last year. On Saturday afternoon, the Mermaids meet the Acadia girls in Wolfville.

A new face on the team this term is Meta Kitchen, a senior Physical Education student from Fredericton. Meta, who prefers the longer freestyle events, has had previous experience with Fredericton High School and the Fredericton Y.

Team captain, Janet Eastwood will lead her teammates into this final stretch; they are, Nancy Likely, Barb Rees-Potter, Helen Sinclair, Carol Scarborough, Ardyth Prince, Joan Dickenson, Kathy

Glover, Gay Horton, Sue Kinneer, Ann Graham, Pat Belmore, Gail Gorham, Meta Kitchen, and divers Jenny Adam and Elaine McEwan.

The Mermaids entertain Dalhousie on January 29, and then defend their New Brunswick Open title on February 12.

On February 19 and 20 they journey to Sackville for the Atlantic Open meet. On February 26 they will defend their Maritime Intercollegiate title in Sackville.

Hockey Inter-Squad Game

The Reds and Whites skated to a 3-3 standoff in a Red Devils inter-squad game last Saturday night.

The Reds took a 2-1 first period lead on two goals by Ed Russell. Jim Grant scored the Whites' goal.

The Whites moved into a 3-2 second period lead on goals by Jim Grant and Gary Jones.

Laurence Jewett scored a

third period goal for the Reds to make the final score 3-3.

Coach Pete Kelly used the game to experiment with various player combinations to find something that will 'click'. Kelly regards several players as being on the fringe between J.V. and Varsity material. As a result several J.V. players have been practicing with the Varsity this past week and saw action in the inter-squad game.

Kelly feels the Devils' biggest problems are defense and goaltending. The defense corps suffered heavily from graduation and the '5 year rule' this season. The Devils have had problems building a strong defence to protect the goaltending of Bird and Jacobson.

The Christmas layoff has definitely hurt the teams' conditioning. Coach Kelly feels the team should be in top shape by the end of January when they meet the tough part of their schedule.

Kelly feels that his team is too uncertain at this point to enable him to make predictions. He figures that at least 5 teams headed by the unbeaten Mt. A. Mounties have a good shot at the championship.

**1966 GRADUATES IN ENGINEERING
Civil — Electrical — Mechanical**

IF YOU WANT

- to supplement your academic training with sound experience
- to accept the challenge of unique problems of national development
- the freedom and challenge to develop your abilities
- the opportunity to pattern your own career, and
- a salary commensurate with your ability and contribution

ARRANGE AN INTERVIEW at your Placement Office with our Engineers when they visit your campus on **JANUARY 17, 18 and 19, 1966**

Career booklets are available also at your Placement Office.

McMASTER UNIVERSITY

GRADUATE TEACHING FELLOWSHIPS

The University offers Graduate Teaching Fellowships to support graduate students working towards a Master's Degree in Biochemistry, Biophysics, Civil Engineering, Classics, Economics, German, Greek, Latin, Mechanical Engineering, Metallurgical Engineering, Philosophy, Politics, Romance Languages, Russian, Sociology and Social Anthropology; and for a Master's or Doctor of Philosophy Degree in Biology, Chemical Engineering, Chemical Physics, Chemistry, Electrical Engineering, English, Geochemistry, Geography, Geology, History, Mathematics, Metallurgy, Molecular Biology, Physics, Psychology and the Religious Sciences.

The Fellowships vary in value but in all cases the stipends provide adequate support for a full year's study. Most awards are renewable for subsequent years. Holders of Fellowships will devote approximately one-fifth of their time to instructional duties.

Travel advances are available to assist students who are coming to the University from distant points.

Further information and application forms may be obtained from: The Dean of Graduate Studies, McMaster University, Hamilton, Ontario, Canada.

GRADUATE FELLOWSHIPS

**The J. W. McConnell
Memorial Fellowships
for Graduate Study
at McGill University**

Value	\$3,000 average per annum (Depending on need, fees, travel expenses, etc.)
Fields of Study	Any department in the Humanities, Social, Biological or Physical Sciences offering Graduate programmes leading to the Master or the Ph.D. degrees.
Tenure	Tenable from 1 to 5 years (inclusive)
Purpose	To enable outstanding students to undertake Graduate Studies, with the ultimate aim of strengthening teaching and research in Canadian universities.
Eligibility	Awards will be made to University Graduates who are Canadian citizens, or who intend to become Canadian citizens and to remain in Canada.
Application Deadline	1 February.

Application Forms and more detailed information may readily be obtained by writing to the Associate Dean, Faculty of Graduate Studies and Research, McGill University, Montreal 2, Que., Canada.

Whatever became of:

Jess E. James,

CLASS OF '67?

A life-long student of transportation systems, James will be best remembered for his provocative major thesis "Iron Hosses I Have Broke In." Working towards his doctorate, he formed a research team with his brother and toured the West, taking copious quantities of notes as they went. Soon the whole country was talking about the James boys and they were in great demand as guests of honour at civic parties (neckties to be worn). Despite a reputation which grew by leaps and bounds (mainly on to passing trains) Jess E. James remained an elusive, retiring person who spurned formal gatherings no matter how pressing the invitation. A superb horseman, Mr. James had a way with colts. His untimely end came when he was engaged in breaking in a new one — a 45, to be exact.
